वाणिज्य एवं उद्योग मंत्री (श्री पीयूष गोयल)

THE MINISTER OF COMMERCE AND INDUSTRY
(SHRI PIYUSH GOYAL)

(a) to (f): A Statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) to (f) OF LOK SABHA STARRED QUESTION NO. 218(H) FOR ANSWER ON 16th MARCH, 2022 REGARDING “FOREIGN TRADE POLICY”.

(a) : Yes, Sir.

(b) : The current Foreign Trade Policy 2015-2020 which was announced for a period for five years, was extended by a year till 31st March, 2021 due to COVID-19. Due to continuing impact of COVID-19 and to revisit and review FTDR Act further, the Foreign Trade Policy, 2015-2020 was extended up to 31st March, 2022. As part of the consultative process to formulate a new Foreign Trade Policy, various meetings with stakeholders were held. All the suggestions have been taken on record for further examination. A separate Foreign Trade Policy cell was created to coordinate with various officials in formulation of the Foreign Trade Policy under the supervision of an officer of the level of Joint Secretary to the Government of India.

(c)& (d): India had signed 10 RTAs/FTAs with various countries/regions before 2015 and two since then. These FTAs are with ASEAN (The Association of Southeast Asian Nations), Japan, South Korea, SAARC (South Asian Association for Regional Cooperation), Mauritius and United Arab Emirates (UAE). India's merchandise exports to these countries/regions have registered a growth of 20.75% in the last five years. As regards India-Mauritius Comprehensive Economic Cooperation and Partnership Agreement (CECPA), as this has been implemented w.e.f. 01-04-2021, it is too early to calculate quantifiable benefits. Agreement with UAE was signed on 18 February 2022 and not yet implemented.

In addition to this, India has signed 6 Preferential Trade Agreements (PTAs) with various countries/regions. **A list of FTAs/PTAs signed by India is attached at Annexure-A & B.**

India is currently negotiating FTAs and PTAs with some other various countries/regions, including Australia, UK, Canada, Israel and the EU being some of the important ones.

The likely benefits of FTA include increased market access, level playing field vis-à-vis competitors, increased bilateral trade, greater employment opportunities, etc.

(e)&(f): Export of Agri products (including dairy and dairy products) has increased from USD 32.662 billion in April-Jan 2021 to USD 40.873 billion in April-Jan 2022 i.e. an increase of 25.14%. Some of the increase in exports of Agri Products is as a result of the trade agreements.

(c): Promotion of exports of agriculture products, including dairy products like curd and cheese, is a continuous process. The EPF has representation from trade/industry, line Ministries/Departments, regulatory agencies, research institutes, state governments etc. Meetings of the EPF are held regularly to discuss the various issues affecting exports, such as SPS/ TBT issues, market access issues, plans for export promotion and capacity building programmes etc. Recommendations made by the EPFs are passed on to the relevant authorities for appropriate action.

Mathura and Banaskantha districts in Uttar Pradesh and Gujarat respectively have been identified as clusters for export of dairy products. APEDA has organized awareness cum capacity-building programmes for farmers/Farmer-Producer Organisations (FPOs) in these clusters. APEDA also provides assistance to exporters of dairy products under various components of its export promotion scheme.

2365. SHRI POCHA BRAHMANANDA REDDY:
DR. SANJEEV KUMAR SINGARI:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether no new projects and no funds were released to Andhra Pradesh in 2021-22 under Trade Infrastructure for Exports Scheme (TIES);
- (b) if so, the reasons therefor;
- (c) whether out of the 74.15 crores of TIES share approved for projects from 2017-2022, only 57.15 crores funds have been released for Andhra Pradesh; and
- (d) if so, the reasons therefor including the time by which the pending amount is likely to be released?

ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्रीमती अनुप्रिया पटेल)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SMT. ANUPRIYA PATEL)

- (a) & (b): Yes, Sir. Under Trade Infrastructure for Export Scheme (TIES) being implemented by Department of Commerce, financial assistance in the form of grant-in-aid is provided to Central/State Government owned agencies for setting up or up-grading export infrastructure. During 2021-22, no new project proposal under TIES has been received from Andhra Pradesh. Also, release of further installment of TIES grant for ongoing projects under TIES in Andhra Pradesh could not be made due to non-fulfillment of conditions, as per TIES guidelines, like submission of Utilization Certificate

for TIES grant released earlier, project progress report and proof of matching contribution of funds by Implementing Agency.

(c)& (d): Yes, Sir. Out of Rs. 74.15 crore of TIES share approved for projects in Andhra Pradesh, since launch of the scheme i.e. FY 2017-18, Rs. 57.15 crore has been released so far. The balance amount would be released as and when the Implementing Agency(ies) furnish complete utilization certificate for the fund released earlier, Project Monitoring Committee (PMC) meeting report and the proof of matching contribution of the funds having been invested from own or other sources on pari-passu basis as per the approved cost sharing.

UNSTARRED QUESTION NO. 2398
TO BE ANSWERED ON 16th MARCH, 2022

IMPORT OF ARECANUT

2398. SHRI NALIN KUMAR KATEEL:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether arecanut is imported from other countries including Bangladesh and Sri Lanka;
- (b) if so, the details of the total arecanut imported in the country during the last three years and the current year, country-wise;
- (c) whether there has been an adverse impact of such import on the prices of arecanut in the domestic market; and
- (d) if so, the details thereof along with the measures being taken by the Government to protect the interests of arecanut growers in the country?

ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्रीमती अनुप्रिया पटेल)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SMT. ANUPRIYA PATEL)

(a)& (b): Import of Arecanut has taken place mainly from Sri Lanka and Indonesia during the last three years and the current year. Country-wise and year-wise import data of arecanut for the last three years and current year are annexed.

(c) & (d): Average price of Arecanut since 2019-20 is given in the table below.

(Price in Rs/quintal)

period	Kozhikode (Arecanut dry)			Kasaragod (Arecanut Dry)		
	2019-20	2020-21	2021-22 (till Jan, 2022)	2019- 20	2020-21	2021-22 (till Jan, 2022)
Average prices	21797	28658	35397	27158	33335	42872

Source: Ministry of Agriculture and Farmers Welfare

The production of arecanut in the country during 2020-21 was 15.63 lakh tonnes and the import was 23988 tonnes, which is only 1.5% of the production, this may not have much impact on prices.

The Government has taken the following measures to discourage the import of arecanut into the country.

- (i) The Arecanut import in the country is restricted by imposing an import duty of 100%. (As per the 99/2011-Customs notification dt. 9-11-2011, the least developed SAARC countries like Bangladesh, Bhutan, Maldives, Nepal and Afghanistan have been exempted from paying the whole of this import duty).
- (ii) Customs authorities have been advised to check the rules of origin with utmost care so as to ensure that Arecanut grown in countries other than SAARC is not imported through our neighboring countries taking advantage of import duty exemption under SAFTA.
- (iii) Imposed Minimum Import Price (MIP) on arecanut to restrict the unabated import and to prevent entry of inferior quality Arecanut into Indian market and destabilizing the domestic prices. It was first introduced in August 2012 and the then MIP was Rs 75/kg and it has been revised from time to time in proportion to the increase in cost of production and price. At present, the MIP is fixed at a CIF (Cost, Insurance and Freight) value of Rs 251/kg, import of arecanut below this value is prohibited.
- (iv) To address the issue, Government further amended the import policy of areca nut in July, 2018 by prohibiting its imports below the MIP of Rs.251/- per KG.
- (v) The Food Safety and Standards Authority of India (FSSAI) has advised its field offices to stringently adhere to the quality standards of arecanut before clearing the import consignments.
- (vi) Promoting technology of multi-species cropping in arecanut gardens through establishing frontline demonstration plots and conducting training programmes.

- (vii) Demonstrating the effect of the new fungicide Mandipropamid, in management of fruit rot in selected areas of Kerala and Karnataka.
- (viii) Frontline demonstration plots are being established to popularize the use of EPN (Entomopathogenic Nematode) in management of root grubs in Arecanut.
- (ix) Demonstration of Arecanut Dwarf Hybrids to promote its advantages among progressive farmers.
