ANSWER

वाणिज्य और उद्योग मंत्रालय में राज्य मंत्री (श्री जितिन प्रसाद)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SHRI JITIN PRASADA)

(a) The details and the amount of different marine products exported and their valuation during the last five years, year, State and UT-wise are given at *Annexure-I and Annexure-II*.

(b) The details of the amount and valuation of seaweed exports from the country, is given in table below:-

(c) India exported marine products to 132 countries during 2023-24 including to some of the major export destinations such as USA, China, EU, Japan, Vietnam, Thailand etc., which contributed about 67% of country's total marine product exports in 2023-24.

(d) Some of the major marine products exported from India are frozen shrimp, frozen fish, frozen cuttlefish, frozen squid, live fish, dried and chilled items. Country-wise export data is given at *Annexure-III*.

(e) Exports from India are continuing as the sailings of containers carrying ships from India have been diverted via the Cape of Good Hope route. Despite the challenges, the seafood exports increased in quantity terms from 17.54 Lakh Tonnes in the year 2022-23 to 18.19 Lakh Tonnes in the year 2023-24, registering a growth of 3.73%. Some increase in freight cost has been reported by industry. Government has been keeping watch over the interests of exporters, including seafood exporters. During heightened activities, Indian Navy had substantially enhanced maritime surveillance efforts in Central / North Arabian Sea and augmented force levels. Aerial surveillance by long-range maritime patrol aircraft and Remotely Piloted Aircraft (RPA) system had been enhanced to have a complete maritime domain awareness. Towards effective surveillance of exclusive economic zone (EEZ), Indian Navy is operating in close coordination with Coast Guard.

(f) & (g) The Government through Marine Products Export Development Authority (MPEDA) has undertaken various measures for export promotion of marine products from the country, including that from Andhra Pradesh. MPEDA's schemes for marine products export promotion are extended on pan India basis. These are aimed to assist the entire stakeholders' value chain in augmenting the production from capture and culture fisheries, preservation of quality, infrastructure development for value addition, preservation/storage of value-added marine products, traceability, sustainability of the resources and promotion of Indian marine products in the global market through various publicity media and many more. Financial assistance released by MPEDA to the beneficiaries in various states including Andhra Pradesh in last 5 years is given in *Annexure-IV*.
