ANSWER

वाणिज्य और उद्योग मंत्रालय में राज्य मंत्री (श्री जितिन प्रसाद)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SHRI JITIN PRASADA)

(a) Details of sector wise exports that are directed to United States for the year 2023-24 are placed at **Annexure I**.

(b) to (g) The U.S. has issued Memorandum on Reciprocal Trade and Tariffs on February 13, 2025, wherein the Secretary of Commerce and United States Trade Representative are to take necessary actions to investigate harm to U.S. from any non-reciprocal trade arrangements adopted by trading partners and provide a report with detailed proposed remedies for each trading partner, based on which, US action against relevant trading partner could, thereafter be undertaken under any of the relevant US legislations. As on date, reciprocal tariffs have not been applied by U.S. on India.

The Government of India continues to engage with the Government of United States to achieve enhancement and broadening of bilateral trade ties in a mutually beneficial and fair manner. Both nations released a joint statement on February 13, 2025, reaffirming their commitment to deepening economic ties. Under the ambitious "Mission 500", both countries aim to more than double US-India trade to USD 500 billion by 2030 to be achieved by deepening the trade relationship across multiple sectors. Both countries plan to negotiate a mutually beneficial, multi-sector Bilateral Trade Agreement. Both countries would focus on increasing market access, reducing tariff and non-tariff barriers, and enhancing supply chain integration.

(h) This is an ongoing exercise and Indian exporters are working towards diversifying trade basket and export destinations.
