- (d) whether it is a fact that there is no provision to punish the offenders for misuse of the concessions/facilities under the schemes for promoting the export and if so, the reasons therefor along with the remedial measures taken in this regard so far; and
- (e) whether the objective of the scheme has been achieved by the Government, if so, the details thereof and if not, the reasons therefor along with the corrective measures taken by the Government in this regard?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

a) to e): A Statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (e) OF LOK SABHA
STARRED QUESTION NO. 208 FOR ANSWER ON 31st JULY, 2017
REGARDING "CONCESSIONS/FACILITIES TO EOUs".

(a): Benefits available to EOUs after introduction of Goods and Services Tax (GST) regime include:

- Duty free imports;
- Benefit of MEIS scheme (Chapter 3 benefits of Foreign Trade Policy);
- Reimbursement of Central Sales Tax (CST) on items not covered under GST;
- Reimbursement of Customs duty paid on fuel procured from domestic oil companies.
- Fast-track clearance to status holder units
- Units are allowed to retain 100% of export earnings in EEFC accounts.

(b) & (c): The number of cases during the last three years and in the current year where Show Cause Notices (SCNs) issued to EOUs for demand of duty because of alleged misuse of concessions are as under :-

Year	No. of cases of misuse where SCNs issued	Demand of duty (in Rupees Crores)
2014-2015	156	527.35
2015-2016	170	468.12
2016-2017	97	325.58
2017-2018(till 30.6.2017)	31	54.88

Further, during the last three years and in the current year, two cases have been registered by Central Bureau of Investigation, against M/s Gaurika Gems & Jewels, Bund, Rajasthan, M/s A.I. Metals, Alwar, Rajasthan and one case by Directorate of Revenue Intelligence against M/s Gaurav Pharma Ltd. Haryana for duty evasion. In 27 cases, penalties have been imposed under the provisions of the Foreign Trade (Development & Regulation) Act 1992 for violation of provisions of the Foreign Trade Policy 2015-2020 amounting to Rs. 36.90 lakhs.

(d): No madam, there are sufficient provisions under the Customs Act, 1962 and Central Excise Act, 1944 which provide for suitable punishment to offenders including fines, penalties and prosecution besides recovery of duty for which concession was availed by EOU. Instances of violation/misuse are dealt by the concerned Development Commissioner/Central Excise and Customs authorities as per the relevant provisions of these laws as and when detected. For violation of Foreign Trade Policy provisions, penalty can also be imposed under the Section 11 of Foreign Trade (Development and Regulation) Act, 1992. Steps have been taken to curb such violations which include joint monitoring of the performance of the EOU Units by officers of Customs and Central Excise and Development Commissioners on a regular basis.

(e): The EOUs are required to be Net Foreign Exchange (NFE) positive and continuity of the units is subject to their being NFE positive. The EOUs have been consistently achieving over 60 percent positive NFE during the last five years as detailed below:-

Foreign exchange earned by EOUs

• *(Value in Rupees Crore)*

Year	EOU's Exports	EOU's Imports	NFE by EOUs	NFE as %age of export

***213. SHRI B.S. YEDIYURAPPA:**

PROF. RICHARD HAY:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) the total number of Special Economic Zones (SEZs) in the country indicating those which are operational, State/UT-wise and location-wise including Gujarat;
- (b) the details of the funds sanctioned, allocated and utilized under these SEZs during the last three years and the current year, State/UT-wise along with the targets set and achievements made by them so far;
- (c) whether certain SEZs approved by the Government have not started functioning or are lying closed and if so, the details of such non-operational SEZs, State/UT-wise and location-wise along with the reasons therefor;
- (d) the corrective steps taken by the Government to make these SEZs functional along with the time-frame fixed in this regard; and
- (e) whether the Government has received any request from any State for setting up SEZs and if so, the details thereof along with the action taken thereon?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

a) to e): A Statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (e) OF LOK SABHA
STARRED QUESTION NO. 213 FOR ANSWER ON 31st JULY, 2017
REGARDING "SPECIAL ECONOMIC ZONES".

(a): In addition to Seven Central Government Special Economic Zones (SEZs) and 11 State/Private Sector SEZs set-up prior to the enactment of the SEZs Act, 2005, approvals have been accorded to 420 proposals for setting up of SEZs in the country. Presently, out of 351 notified SEZs a total of 218 SEZs are operational including Gujarat. States/UTs-wise and location-wise details of operational SEZs is at **Annexure-I**.

(b): SEZs being set up under the SEZs Act, 2005 and SEZs Rules, 2006 are primarily private investment driven. No funds are sanctioned by the Central Government for setting up of SEZ, however, the fiscal concessions and duty benefits have been allowed to developers/units as per the SEZs Act, 2005 and Rules thereunder. As on 31.03.2017, exports from SEZs was Rs. 5,23,637 crores and an employment for about 17.31 lakh persons has been generated in different SEZs and an investment of Rs. 4,23,189 crore has been made.

(c) and (d): Presently, 220 SEZs are non-operational across the country. States/UTs-wise and location-wise details of non-operational SEZs is at **Annexure-II**. Setting up of SEZs is a long term process and delay in commencement of commercial operations of the SEZs may be due to various reasons which include time taken in getting approvals from statutory/State Government bodies, adverse business climate due to changed global economic situation, changes in fiscal incentives, etc. The corrective steps taken by the Government to make these SEZs functional are as under:

- i. The Government periodically reviews the policy and operational framework of SEZs and takes necessary measures so as to facilitate speedy and effective implementation of SEZs.
- ii. Minimum Land Area requirement for setting up of new SEZs has been reduced to 50% for Multi-product and Sector-specific SEZs.
- iii. Sectoral broad-banding has been introduced to encompass similar / related areas under the same Sector.
- iv. Dual use of facilities like Social & Commercial infrastructure by SEZs and non-SEZs entities has been allowed in order to make SEZ operations more viable.
- v. State Governments have been advised to make their own Single Window Clearance mechanism more effective.
- vi. Review meetings with the Development Commissioners of SEZs are held regularly.

(e): No Madam. The Government has not received any request from State Government for setting up new SEZs till date.

INDIA'S TRADE WITH VENEZUELA

2321. SHRI M. CHANDRAKASI:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) the details of India's trade with Venezuela in terms of money value of both imports and exports during the last three years;
- (b) the present position of India's trade relations with Venezuela against the backdrop of balance of payments due from the country to India at present; and
- (c) the steps being taken to overcome problems affecting trade relations with the country and to further increase bilateral trade towards mutual benefits?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a). The details of India's trade with Venezuela in terms of money value during the last three years are as under:-

(Value: US\$ Million)

	2014-15	2015-16	2016-17
Exports	258.07	130.66	62.23
Imports	11,729.89	5,701.81	5,512.06
Total Trade	11,987.96	5,832.47	5,574.29

(Source: DGCI&S, Kolkata)

(b) & (c). Venezuela is one of India's largest trading partners in the LAC region. The balance of trade has been in favour of Venezuela as India's imports of crude oil dominate the trade basket. India's imports from Venezuela have not gone down in terms of volume while there has been reduction in value due to fall in global crude oil prices. Exports from India to Venezuela have declined as Venezuela has been passing through

a major financial crisis for the last few years and they have strong controls on usage of foreign exchange which has also led to problems in repatriation of income earned to home country. The issue of resolving outstanding payments due to Indian companies has been taken up with Venezuelan Government. There has been no response from Venezuela. In order to strengthen India's exports to Venezuela, products in which India holds export competence are targeted.

EXPORT OF BASMATI RICE

2324. SHRI DEEPENDER SINGH HOODA:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether the export of Basmati Rice from the country has declined considerably since May 2014 to till date;
- (b) if so, the details thereof and the reasons for this decline in the said exports;
- (c) the steps taken by the Government to resume normal exports through the Ministry and other channels along with the outcome thereof;
- (d) the details of all major importers of Basmati rice along with the quantum of Basmati rice imported for the last five years and the current year; and
- (e) the details of other basmati rice exporting countries which are supplying Basmati rice same as Indian quality and standards?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a) & (b) The details of India's export of Basmati rice, from the year 2014-15 onwards, are as under:

Quantity: lakh MT; Value: USD Million

2014-15		2015-16		2016-17		2017-18 (Apr-May)	
Quantity	Value	Quantity	Value	Quantity	Value	Quantity	Value
36.99	4516.28	40.46	3477.98	40.00	3222.26	7.96	791.66

Source: DGCI&S

As reflected in the above data, while there has been some decline in value terms, the quantity exported during 2015-16 and 2016-17 is actually higher as compared to 2014-15. This indicates that the decline in value of exports is solely due to decline in international prices of Basmati rice.

- (c) Normal exports have been continuing, as reflected in the data on quantity of export of Basmati rice. However, promoting exports of agricultural commodities, including Basmati rice, is a continuous process. The Agricultural & Processed Food Products Export Development Authority (APEDA), an autonomous organisation under the administrative control of Department of Commerce, has been mandated with the export promotion of Basmati rice. APEDA has been able to register Basmati Rice as a Geographical Indication (GI) in February 2016. APEDA, in collaboration with the trade, has also established Basmati Export Development Foundation

(BEDF), which undertakes various activities for development and export promotion of Basmati rice. Moreover, APEDA has also been providing assistance to the Basmati rice exporters under the various components of its scheme 'Agriculture Export Promotion Scheme of APEDA'.

- (d) The details in respect of the 10 largest importers of Basmati rice from India, for the last five years and the current year, are at Annexure-I.
- (e) Besides India, Pakistan is the only producer and exporter of Basmati rice.

- (c) whether any reaction has been received from the Chinese side in this regard and if so, the details thereof; and
- (d) the steps taken by the Government to ensure the quality and standards of the imported items from China and other countries?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a) to (c): All goods imported into India are subject to domestic laws, rules, orders, regulations, technical specification, environment and safety norms, that are notified from time to time. There is no proposal at present to restrict imports of products, that otherwise satisfy the aforesaid conditions, including meeting the prescribed technical standards.

(d): The Bureau of Indian Standards (BIS) formulates standards applicable to domestic products and also mandates the use of Standard Marks under a license which *mutadis mutandis* also apply to imported goods. Products have been notified under compulsory certification/registration with one of the objectives of checking influx of substandard products into Indian markets. Presently, there are 109 products covered under Compulsory Product Certification Scheme of BIS and 30 Electronic and IT Goods under Compulsory Registration Scheme of BIS. Till now, 204 licensees have been issued to Chinese manufacturers for Steel products, Electrical products, Tyres & Tubes etc. as per Product Certification Scheme of BIS. Also, 4636 manufacturers have been granted registrations for Electronic and IT Goods as per Compulsory Registration Scheme of BIS. As member of WTO. India's regulations apply to all members equally.

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether there has been an increase in the consumption of rubber especially due to rise in the demand of automobile sector recently;
- (b) if so, the details thereof including the extent to which demand is met by domestic production;
- (c) whether the Tyre Manufacturing Industry has requested the Government to curtail import duty on natural rubber;
- (d) if so, the reaction of the Government thereto; and
- (e) the efforts made by the Government to enhance the production of natural rubber and artificial rubber in the country?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

- (a) & (b). Consumption of Natural Rubber (NR) has increased from 994,415 tonne in 2015-16 to 1044,075 tonne in 2016-17 mainly due to rise in the demand of auto tyre sector. The details are as under:

Consumption of NR (Tonne)			
	2015-16	2016-17 (Provisional)	Growth (%)
Auto Tyre Sector	663,495	707,335	6.6
Non-Tyre sector	330,920	336,740	1.8
Total	994,415	1044,075	5.0

Production of NR in the country in 2016-17 was 691,000 tonne (provisional) against the consumption of 1044075 tonne of NR in tyre and non-tyre sectors.

- (c)& (d) There have been demands from Tyre Manufacturing Industry to rectify the duty structure as the Basic Customs Duty on Tyre is 10% as against that of Natural Rubber duty is 25% or Rs. 30/kg. whichever is lower. The matter was examined in the Department and in view of the prevailing situation of the rubber sector the proposal was not agreed to.

- (e) In order to increase production of Natural Rubber in the country the Government through the Rubber Board is implementing the scheme “Sustainable and Inclusive Development of Natural Rubber Sector” wherein support is provided for plantation development and extension, strengthening research, technology upgradation and market development, Human resource development etc. So far as artificial/synthetic rubber is concerned, Chemical & Petrochemical Industry is delicensed and decontrolled and Government acts as facilitator in this sector.

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether the Government has reviewed the branding strategy for exportoriented Indian products and services;
- (b) if so, the number and details of modes of branding campaigns which have been identified and given a try;
- (c) whether any roadmap has been drawn for participation in International Trade Fairs, Expos and Seminars for the next three years; and
- (d) if so, the details thereof along with the expected target of earnings from taking part in these events?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a) & (b): India's Foreign Trade Policy Statement released in 2015 emphasises the need of a branding strategy. The India Brand Equity Foundation (IBEF) established by the Department of Commerce works closely with stakeholders across government and industry to promote and create international awareness of the Indian products and services in overseas markets. IBEF has undertaken focused branding activities for sectors namely engineering, pharma, plantations (tea, coffee and spices), services, textiles and leather. This is done through a 360° branding approach including onsite branding, advertising in media, digital marketing including social media, PR, knowledge kits and revamping the websites of many export promotion councils. IBEF actively works with Indian missions abroad for its branding activities in overseas events and also supports them with knowledge works and branding collaterals.

(c) & (d): Department of Commerce encourages participation of exporters, export promotion councils, trade associations etc. in International Trade Fairs, Expos etc. India Trade Promotion Organization (ITPO) is the trade promotion agency of the Department of Commerce. ITPO has finalized participation in 31 overseas exhibitions for 2017-18. Based on the proposals submitted by the Export Promotion Councils/Trade Promotion Organizations, an annual plan for organizing participation of exporters in various international fairs and expos is drawn and supported under the Market Access Initiative (MAI) scheme by Department of Commerce. 255 proposals for export promotion activities/events in India and abroad for 2017-18 have been approved for assistance under MAI scheme. No targets of earning from such events are fixed.

TRADE TIES WITH CHINA

2401(H). SHRI KIRTI AZAD:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) the current status of trade between India and China in view of the increase in imports by China;
- (b) whether India has improved its trade ties with China and increased its export; and
- (c) if so, the details thereof?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a) to (c): Details of trade and trade deficit with China during last two years and the current year upto May 2017 are given below: -

Bilateral Trade between India and China during 2015-16 to 2016-17 and the current year

Value in US\$ Billion

Year	Import	Export	Total Trade	Trade Deficit
2015-16	61.70	9.01	70.71	52.69
2016-17	61.28	10.19	71.47	51.09
2017-18 ((Apr to May)*)	11.83	1.73	13.56	10.10

**Provisional*

(Source; DGCI&S)

From above table, it may be seen that India's trade with China during 2016-17 grew marginally from US\$ 70.71 billion to US\$ 71.47 billion. During this period ,India's exports to Chinagrewby13% (approximately)from US\$ 9.01 billion to US\$ 10.19 billion while India's imports from

China dropped marginally by0.7% (approximately) to US\$ 61.28 billion from US\$ 61.70 billion resulting in a marginal dip in India's trade deficit with China by 3%(approximately).

Seeking greater market access for Indian goods has been an ongoing process with China, on a continuous basis.

GROWTH IN GOODS EXPORTS

2402. SHRIMATI VANAROJA R.:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether it is a fact that India's goods exports recorded positive growth for the fifth consecutive months with a rise in shipments in January this year;
- (b) if so, the details thereof;
- (c) whether it is also true that the slowdown in global trade continues to impact India as well and if so, the details thereof;
- (d) whether it is also true that the uncertainties in global economy are expected to pose challenges for exports in 2017; and
- (e) if so, the details thereof along with the steps proposed to be taken in this regard?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a) & (b): The value of India's merchandise exports during last six months is as follows:

Months	Value of exports (US\$ Billions)		% growth over corresponding month of previous year
	2016*	2017*	
January	21.20	22.29	5.13
February	20.85	25.54	22.54
March	22.91	29.14	27.20
April	20.89	24.62	17.85
May	22.40	24.01	7.20
June	22.66	23.56	3.97
Total of six months	130.90	149.16	13.95

Source: DGCI&S, Kolkata, (* Provisional)

The above data reflect that India's merchandise exports recorded positive growth during the last six months as compared to the exports of corresponding month of previous year.

(c) to (e): Though India has registered a positive growth rate in merchandise exports for the last ten months consecutively since August, 2016, the slowdown in global trade may continue to impact India during 2017 due to the following reasons

- i. Fall in global demand and fall in commodity prices, impacting terms of trade for commodity exporters.
- ii. Fall in the prices of petroleum crude resulting in consequent decline in prices as well as export realizations for petroleum products, which are major terms of exports for India.
- iii. Fall in demand of precious goods like Pearls, Precious and Semi-Precious stones, especially from oil producing countries.

The Government has taken the following steps to boost India's exports and to face the challenges that may pose for exports in the year 2017:

- (i) The New **Foreign Trade Policy (2015-20)** was announced on 1st April, 2015 with a focus on supporting both manufacturing and services exports.
- (ii) The **Merchandise Exports from India Scheme (MEIS)** has been introduced in the Foreign Trade Policy (FTP) 2015-20 on 01.04.2015 with the objective to offset infrastructural inefficiencies and associated costs involved in exporting goods/products which are produced/ manufactured in India and to provide a level playing field to Indian exporters, especially those having high export intensity and employment potential. The Scheme incentivizes exporters in terms of freely transferable Duty Credit Scrips which are transferable and can be used to pay certain Central duties/taxes including customs duties. The Scheme covers exports of 7914 tariff lines at 8 digit levels to all countries.
- (iii) The **Services Exports from India Scheme (SEIS)** has been introduced in the Foreign Trade Policy (FTP) 2015-20 on 01.04.2015. The Scheme provides rewards at the rate of 3 to 5% on Net Foreign Exchange earnings, to service providers of notified services from India to rest of the world, in the form of Duty Credit Scrips which are transferable and can be used to pay certain Central duties/taxes including customs duties.
- (iv) The Government has implemented the **Niryat Bandhu Scheme** with an objective to reach out to the new and potential exporters including exporters from Micro, Small & Medium Enterprises (MSMEs) and mentor them through orientation programmes, counseling sessions, individual facilitation etc., on various aspects of foreign trade for being able to get into international trade and boost exports from India.
- (v) As part of the "**Ease of Doing Business**" initiatives, the Government has launched **Single Window Interface for Facilitating Trade (SWIFT)** clearances project w.e.f 1st April, 2016. The scheme enables the importers/exporters to file a common electronic 'Integrated Declaration' on the Indian Customs Electronic Commerce/Electronic Data Interchange (EC/EDI) Gateway i.e. ICEGATE portal. The Integrated Declaration

compiles the information requirements of Customs, FSSAI, Plant Quarantine, Animal Quarantine, Drug Controller, Wild Life Control Bureau and Textile Committee. It replaces nine separate forms required by these 6 different agencies and Customs.

- (vi) **Interest Equalization Scheme on pre & post shipment credit** was launched to provide cheaper credit to exporters.
- (vii) A new scheme called **Special Advance Authorisation Scheme** for export of articles of Apparel and Clothing Accessories was introduced w.e.f. 1st September 2016 wherein exporters are entitled for an authorisation for fabrics including inter lining on pre-import basis and all industry rate of Duty Drawback for non-fabric inputs on the exports.
- (viii) Further, the Government continues to provide the facility of access to duty free raw materials and capital goods for exports through schemes like Advance Authorization, Duty Free Import Authorization (DFIA), Export Promotion Capital Goods (EPCG) and drawback / refund of duties.
- (ix) The Government launched a new scheme called **Trade Infrastructure for Export Scheme (TIES)** w.e.f. 15th March, 2017 with the objective to enhance export competitiveness by bridging gaps in export infrastructure, creating focused export infrastructure, first mile and last mile connectivity for export oriented projects and addressing quality and certification measures. The Central and State Agencies, including Export Promotion Councils, Commodities Boards, SEZ Authorities and Apex Trade Bodies recognised under the EXIM policy of Government of India are eligible for financial support under this scheme.
- (x) The Government has approved the proposal for notification of commitments under the **Trade Facilitation Agreement (TFA)** of World Trade Organization (WTO), ratification and acceptance of the Instrument of Acceptance of Protocol of TFA to the WTO Secretariat and constitution of the National Committee on Trade Facilitation (NCTF). The Trade Facilitation Agreement (TFA) contains provisions for expediting the movement, release and clearance of goods, including goods in transit. It also sets out measures for effective cooperation between customs and other appropriate authorities on trade facilitation and customs compliance issues. These objectives are in consonance with India's "Ease of Doing Business" initiative.

UNWP 29 AGREEMENT, 1958

2413. SHRI RABINDRA KUMAR JENA:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) the details of Ministry's stand on joining the UN WP 29 Agreement 1958 on harmonization of global technical regulations;

- (d) whether India is considering the inclusion of Global Technical Standards into its regulatory system and if so, the details thereof; and
- (e) if not, the steps which are being taken to be aligned with global standards?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a): Ministry of Road Transport and Highways has informed that it has reviewed India's position regarding the United Nations Economic Commission for Europe (UNECE) 1958 "Agreement Concerning the Adoption of Uniform Technical Prescriptions for Wheeled Vehicles, Equipment and Parts which can be fitted and/or be used on Wheeled Vehicles and the Conditions for Reciprocal Recognition of Approvals Granted on the Basis of these Prescriptions", with the stake holders. Possible benefits for India from this Agreement and concerns were examined.

(b): UN ECE 1958 Agreement has been recently revised and would come into force later in 2017. Once the revised 1958 Agreement is established, further detailed study would be needed for the techno commercial impact, obligations and rights of the Agreement involving the stakeholders. Some of the important areas required to be looked into to before joining 1958 Agreement are India's transportation needs; availability of affordable

suitable technology to make progress in safe and green road transportation; infrastructure requirements related to test facilities for mandatory testing and certification of vehicles, vehicle systems and components etc.

(c): Mutual acceptance of approval under 1958 agreement would give better opportunity for exports for India. However, at this moment India is net importer in automotive sector. Exports by Indian manufactures are mainly to other developing regions and not substantially to those countries who are signatories to 1958 agreement.

(d): Even if India is not a signatory to UN ECE 1958 Agreement, UN Regulations, which are formulated under this agreement, form strong basis of automotive regulatory requirements in India. Similarly, under UN ECE 1998 Agreement, Global Technical Regulation (GTRs) on vehicles are formulated. India is signatory to this particular agreement (1998 Agreement) since 2006 and India is committed for transposition of GTRs into national regulations after examining their relevance and suitability in the Indian context.

(e) : In view of answer to (d) above, the question does not arise.

- (b) whether India has recently emerged as one of the largest exporter of fruits and vegetables and if so, the details thereof along with the details of fruit and vegetable exports from the country during the last three years and the current year;
- (c) whether the export of fruits and vegetables has come down in the current financial year in comparison to previous two years and if so, the details thereof along with the reasons therefor;
- (d) whether the Government has any data of area-specific production of fruits that are exported out of the country particularly from Tamil Nadu and if so, the details thereof along with the measures taken to enhance the exports of fruits and vegetables from the country;
- (e) whether the Government is contemplating to provide assistance to the grapes farmers especially to those belonging to Nasik district for direct export to foreign countries and if so, the details thereof and if not, the reasons therefor; and
- (f) whether various countries have stopped the import of a number of fruits and vegetables from India or issued any warning in this regard and if so, the details thereof along with the corrective steps taken by the Government in this regard?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

- (a) As per 'Horticultural Statistics at a Glance 2016', published by the Ministry of Agriculture & Farmers Welfare, India is the second largest producer of fruit and vegetables in the world. As per FAOSTAT data for the year 2014, India's share in the production of Fruits (excluding Melons) was 12.83% and for production of Vegetables & Melons, India's share was 10.82%.

- (b) India is not a major exporter of fruits and vegetables. As per UN COMTRADE data for 2016, India's share of world export of fruits and vegetables was only about 1.5%. Details of India's exports of fruits and vegetables, during the last three years and the current year, are as under:

Value in USD Million									
		2014-15		2015-16		2016-17		2017-18 (Apr - May 2017)	
Commodity	Unit	Quantity	Value	Quantity	Value	Quantity	Value	Quantity	Value
Fruits / Vegetable Seeds	Kgs	12499306	69.96	13104108	80.89	11638461	78.86	1053564	21.92
Fresh Fruits	Ton	539227	516.26	654659	635.49	820317	750.90	176026	166.99
Fresh Vegetables	Ton	2081802	763.24	2104359	799.93	3389795	860.29	497737	120.63
Grand Total			1349.46		1516.31		1690.05		309.54

Source: DGCI&S

- (c) Comparison of India's exports of fruits & vegetables during the current year (Apr – May 2017), with the exports for the corresponding periods during the previous two years, is as under:

Value in USD Million		
2015-16 (Apr-May 2015)	2016-17 (Apr-May 2016)	2017-18 (Apr-May 2017)
245.89	293.38	309.54

Source: DGCI&S

The value of exports during the current year (Apr-May 2017) has increased as compared to the corresponding periods during the previous two years.

- (d) State-wise data for exports is not maintained. Promoting exports of fruits and vegetables is a continuous process. The Agricultural & Processed Food Products Export Development Authority (APEDA), an autonomous organisation under the administrative control of Department of Commerce, has been mandated with the export promotion of fruits and vegetables. APEDA has been providing assistance to the exporters of fruits and vegetables under the various components of its scheme 'Agriculture Export Promotion Scheme of APEDA'. Continuous efforts are also being made to gain market access in various countries for opening up of new markets.
- (e) The assistance provided by APEDA is available to all the exporters of fruits and vegetables, including farmers looking to directly export their produce.
- (f) At present, there is no instance of any country having stopped the import of fruits and vegetables from India. In the past, EU had placed a ban on import of mangos and four vegetables from India w.e.f. 1st May 2014 due to detection of harmful pests. Due to corrective action taken by India, the ban has been revoked – w.e.f. 5th February 2015 for mangos and w.e.f. 31st December 2016 for the four vegetables. Saudi Arabia had imposed a ban on import of green chillies from India w.e.f. 30th May 2014 due to detection of agrochemicals i.e. pesticides above the maximum residue limits. Due to corrective action taken by India, the temporary ban was lifted w.e.f. 13th January 2016.

- (e) if so, the details thereof along with the reaction of the Government thereto and the action taken by the Government in this regard?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

- a) : The World Trade Organization (WTO) deals with the rules of trade among nations, as negotiated and agreed among its member countries, and *inter alia*, also settles trade disputes between its members. Its fundamental principles include non-discrimination in trade matters, freer trade, predictability and transparency. Decision-making is largely based on the principle of consensus. However, the impact of the rules on different member countries and sectors would depend on several factors, both external and internal to a member country, and would consequently vary across countries. Negotiations in a multilateral forum such as the WTO require some give and take, so that the best possible outcomes are achieved. The Government is pushing for outcomes in the priority areas of India's interest, such as in the area of agriculture negotiations.
- b) : Under the National Food Security Mission (NFSM), for the year 2017-18, out of a total allocation of Rs. 1720.00 Crore Government has allocated an amount of Rs. 1069.87 Crore for pulses as central

share to increase the production of pulses in the country. A programme on Additional Area coverage of Pulses is operational since 2013-14 under the NFSM to increase the production of rabi/ summer pulses through area expansion of rabi pigeon pea, gram, pea and lentil during rabi and, moong and urad during summer in NFSM-Pulses implementing States.

- c) : The Government believes that a rules-based, non-discriminatory multilateral trading system is necessary for bringing transparency, equity and fair play into global trade relations. The multilateral trading system potentially offers a suitable institutional architecture for a developing country. While framing trade-related policies, the Government is mindful of the need to ensure that these are aligned with India's obligations and commitments under various WTO Agreements. Internal economic and market reforms are an ongoing autonomous process based on national goals and priorities. These include strengthening and upgradation of trade-related infrastructure, steps to enhance the ease of doing business, steps to improve India's export competitiveness and deepen engagements with new markets, deepen and widen the export basket and promote product standards, packaging and branding of Indian products.
- d) and (e): India has a long standing position on the need to prioritize the agreed mandate of the Doha Round, in particular, the Ministerial decision to find a permanent solution by December 2017 on public stockholding for food security purposes, which relates to protection of our food-grain procurement programme at Minimum Support Prices and subsidized distribution to economically weaker sections. The Government is committed to pursuing this issue in the WTO in order to take forward the mandate given in the Bali and Nairobi Ministerial Conferences of the WTO in 2013 and 2015 respectively. India is seeking to implement the decisions on the issue through active and constructive engagement with Member countries.

Further, India's proposal for facilitating trade in services in the WTO was made with the objective of imparting much needed momentum to the discussion on services. The proposal provides a framework to address the various impediments to trade in services in a comprehensive and holistic manner. The proposal has been discussed in the relevant services bodies of the WTO.

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a)to (d): The objective of the mandatory 20 per cent export clause under the Quality Upgradation & Product Diversification (QU&PD) Component of 12th Plan “Tea Development & Promotion Scheme” of Tea Board, was to enhance the quality of made tea by way of giving incentives for modernization of tea manufacturing units, warehouses, units dealing with value addition of tea, Organic tea production and production of Orthodox/Green tea with the ultimate goal of enhancement of export of Indian Tea. During the 12th Plan period total 439 number of applications were received by Tea Board as against 1596 number of applications received during the 11th Plan under the QU&PD component.

Based on the evaluation report of the 12th Plan scheme, the QU&PD component has been appropriately modified in the Medium Term Frame Work proposal for the years 2017-18 to 2019-20.

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

- (a) The Commerce and Industry sector is likely to benefit from the GST on account of lower tax rates for most commodities compared to the earlier tax regime, uniform tax rates across the country, reduced tax on tax incidences and seamless availability of input tax credit. These features would benefit Commerce and Industry through reduction in cost and improvement in competitiveness. It is difficult to quantify the benefits, at present.
- (b) & (c) The Government has launched the GST as per the announced schedule. Government has also notified the product wise GST rates along with associated rules and procedures on time. However, Government is providing all help to trade and industry to overcome teething problems, wherever required.

- (a)&(b) :An application from Indian Solar Manufacturers Association has been received in the Directorate General of Anti-dumping & Allied Duties (DGAD) alleging dumping of “Solar Cells/modules” originating in or exported from People’s Republic of China, Taiwan and Malaysia. On prima facie evidence of dumping of the aforesaid product from above mentioned countries, injury to the domestic industry and the causal link between the said dumping and injury to the domestic industry, the DGAD has initiated an anti-dumping investigation vide O.I. No. 33/2017 on 21.07.2017 in the instant case. The due date for issuance of final findings is 20.07.2018 unless extended further for a maximum period of six months.

(c) :The following measures are being taken to protect interests of local manufacturers. Subsidy is being given through Special Incentive Package Scheme (SIPS)/ Modified Special Incentive Package Scheme (M-SIPS) run by Ministry of Electronics and Information Technology. The scheme, inter alia, provides for:

- i. 20-25% subsidy for investments in capital expenditure for setting up of electronic manufacturing facility.
- ii. Reimbursement of countervailing Duty (CVD)/ Excise Duty for capital equipment for the units outside Special Economic Zone (SEZ).

The incentives are available for several categories of electronic products and product components including Solar Photovoltaic (SPV) (Polysilicon, Ingots and/ or Wafers, Cells, Modules/Panels). Units across the value chain starting from raw materials to assembly, testing, and packaging of these product categories are included. The rooftop solar projects being implemented with central financial assistance have been mandated to source their requirement from domestic sources.

(d) & (e): DGAD and Ministry of New & Renewable Energy have not received any representation against the imposition of anti-dumping duty on solar cells or modules.

- (c) whether the Government is planning to extend the 3% Interest Equalisation Scheme to merchant exporters; and
- (d) if so, the details thereof and if not, the measures taken by the Government to help marketing of the products of small exporters in global markets?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

- (a) No, Madam.
- (b) Does not arise in view of reply to (a) above.
- (c) No, Madam.
- (d) Department of Commerce is already running two schemes i.e. Market Access Initiative Scheme (MAI) and Marketing Development Assistance Scheme (MDA) for development and promotional activities to promote exports from India and marketing assistance in foreign markets by providing financial support to exporters through Export Promotion councils/ Trade bodies and other eligible agencies including MSMEs.

Government has introduced Interest Equalisation Scheme on Pre & Post Shipment Rupee Export Credit with effect from 1.4.2015 for five years. The scheme is available to manufacturers for all exports under 416 specified tariff lines [at ITC (HS) Codes at 4 digit level] and to exports made by manufacturers in Micro, Small and Medium Enterprises across all ITC (HS) Codes. The rate of interest equalisation is 3% per annum.

The New Foreign Trade Policy (2015-20) was announced on 1st April, 2015 with a focus on supporting both merchandise and services exports.

Merchandise Exports from India Scheme (MEIS) aims to incentivize export of merchandise goods produced/manufactured in India. Rewards @ 2-5% under MEIS are payable as a percentage of realized FOBvalue of covered exports, by way of the MEIS duty credit scrip, which are freely transferable. At present, 7914 tariff lines at 8 digit HSCodes are covered under MEIS scheme. The benefits of MEIS are available to all exporters including the small exporters and the MSME sector.

Services Exports from India Scheme (SEIS) provides rewards in the form of duty credit scrips to service providers of notified services who are providing service from India. The rate of reward under the scheme is based on net foreign exchange earned. The present rates of reward are 3 % and 5%. The benefits of MEIS are available to all exporters including the small exporters.

The Status Holder Recognition Scheme provides recognition in the category of One Star, Two Star, Three Star, Four Star and Five Star to exporters making exports beyond a threshold level. The Recognition entitles such Status Holders to certain privileges under the Schemes of the Foreign Trade Policy. Double weight-age is granted in calculation of threshold level while granting one star status in case of exporters belonging to Micro, Small & Medium Enterprises (MSME) as defined in Micro, Small& Medium Enterprises Development (MSMED) Act 2006.

- (d) whether the Government is in talks with many foreign countries including Israel, West Asia and African countries to sign new FTA agreements and if so, the norms being followed and the action plan formulated and priority areas identified in this regard along with the progress made with regard to implementation of these agreements, country-wise?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

- (a) : The details of the Free Trade Agreements (FTAs)/Comprehensive Economic Cooperation Agreements(CECAs)/Comprehensive Economic Partnership Agreements(CEPA) and Preferential Trade Agreements(PTAs) entered into by India is given in **Annexure-I** and **Annexure-II** respectively. The list of the FTAs/PTAs currently being negotiated is given in **Annexure-III**. As regards an FTA with Eurasian Economic Union, a joint statement to launch negotiations for FTA between India and the Union has been signed on 3 June, 2017.

(b) : Assessment evaluation of FTAs is a continuous process including on sectors such as steel and agriculture. Before entering into negotiations with its trading partners, studies are undertaken internally, as well as through the Joint Study Group (JSG) to study the feasibility of the proposed FTAs, including their impact on the domestic stakeholders including the Apex Chambers of Commerce and Industry, Industry Associations as well as the Administrative Ministries and Departments. In order to protect the interest of the domestic industry and agriculture sector, these agreements provide for maintaining sensitive/negative lists of items on which limited or no tariff concessions are granted under the FTA. The Government has largely adopted a conservative policy on agricultural products by maintaining a large number of them in the negative list of FTAs. In addition, in case of a surge in imports and injury to the domestic industry, a country is allowed to take recourse to the measures such as anti-dumping and safeguards.

(c) : The Question does not arise as India has not entered into any new FTA or Preferential Trade Agreement (PTA) during the last three years. However, India expanded the scope of the India-ASEAN Trade in Goods (TIG) Agreement in November, 2014 to cover both Services and Investment with its date of implementation being 1 July, 2015.

(d) : The Department of Commerce is negotiating 21 trade agreements including with Israel and Mauritius. The details of these agreements under negotiation or review are at Annexure-III. The FTA negotiations are a continuous process and it is difficult to predict a time-line for conclusion.

TEA AND COFFEE EXPORT

2495. SHRI M.K. RAGHAVAN:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether there has been a dip in the exports of Tea/Coffee recently and loss of market share in international market;
- (b) if so, the details thereof including the financial figures along with the reasons therefor;
- (c) the measures being taken to recover/increase their market share; and
- (d) whether the Tea Estates of Southern India are facing severe drought and if so, the measures being taken to help them?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a) & (b): There has been a decrease in quantity of around 6 Million Kgs. of tea export in 2016 as compared to 2015. The details of Indian tea export during last three years along with market shares are given below:

Year	Quantity exported (in m. Kg)	Value (RsCrores)	India's Share in international market (%)
2014	207.44	4054.02	11.36
2015	228.66	4355.32	12.71
2016	222.45	4468.11	12.47

The decrease in quantity of exports of tea during 2016 is primarily attributed to bumper crop and competitive prices offered by Kenya which affected India's exports to the major CTC tea markets in general and Pakistan & UK in particular. At the same time, tea production in South India had been lower by around 17 Million of Kgs. while gaining on the pricing front. This affected exports to Russia and Pakistan in particular, who primarily import lower-priced teas.

As far as coffee is concerned, the exports and international market share of Indian coffee have shown an increase as detailed below:

Year	Quantity (Tonnes)	Value (Rs.Crores)	India's Share in international market (%)
2014	287360	4840	4.17
2015	306114	5158	4.48
2016	358610	5529	5.33

(c): In order to increase share of Indian tea and coffee in the international market, focused and sustained initiatives such as arranging buyer-seller meets, effecting exchange of delegations, participating in international trade fairs and undertaking generic promotion of Indian Brands in key markets are taken up by the Tea Board and the Coffee Board.

(d): The month wise rainfall data of the tea planting districts in the various states of south India shows that there is no drought in the Southern States. However, during the year 2016 a widespread drought occurred in the Southern States which adversely affected production of tea.

The Tea Board is extending financial assistance for setting up of irrigation facilities to the tune of 25 per cent of capital cost not exceeding Rs.80,000/- per hectare with the ceiling limit of 200 hectare per garden. Pradhan Mantri Krishi Sinchai Yojana (PMKSY) has been extended to small growers of plantation crops including tea.

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether the Government proposes to set up district-wise Special Economic Zones (SEZs) in Vidarbha region of Maharashtra including those based on agriculture/cotton;
- (b) if so, the details thereof, locationwise along with the time by which they are likely to be set up and the details of SEZs set up in the said region so far, locationwise;
- (c) whether the Government also proposes to expand/develop SEZs in Kerala and if so, the details thereof along with the locations identified and the funds allocated and being released for the purpose and if not, the reasons therefor;
- (d) whether the Government has received any requests for setting up of SEZs in Kerala and if so, the reaction of the Government thereto; and
- (e) whether the Government has adopted a new policy for SEZs in the country and if so, the details thereof along with its salient features?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a) and (b): No Madam. Special Economic Zones (SEZs) being set up under the SEZs Act, 2005 and SEZ Rule, 2006 are primarily private investment driven. The Central Government does not allocate funds for setting up of new SEZs.

(c) and (d): No proposal for setting up of new SEZs in the State of Kerala has been received in the last one year.

(e): The Special Economic Zones (SEZs) policy was launched in April, 2000. The Special Economic Zones Act, 2005, was passed by Parliament in May, 2005 which received

Presidential assent on the 23rd of June, 2005. The SEZs Rules, 2006 came into effect on 10th February, 2006. The salient features of the SEZ scheme are:-

- (i) SEZ is a designated duty free enclave to be treated as a territory outside the customs territory of India ;
- (ii) SEZ Developers and Units will have Direct Tax and Indirect Tax concessions as prescribed in the SEZs Act, 2005.
- (iii) No licence will be required for import of inputs for operations in SEZ ;
- (iv) Domestic sales by SEZ units will be subject to applicable customs duties and Foreign Trade Policy in force;
- (v) SEZ units will have freedom for subcontracting;
- (vi) No routine examination by customs authorities of export/import cargo;
- (vii) The Unit in SEZ shall achieve Positive Net Foreign Exchange to be calculated cumulatively for a period of five years from the commencement of production;

TRADE BETWEEN INDIA AND WEST ASIA

2501(H). DR. VIRENDRA KUMAR:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) the volume of trade carried out between India and West Asia during the last three years and the current year, country-wise;
- (b) whether there is adequate potential for Indian exports to these countries;
- (c) if so, the details thereof along with the steps taken by the Government to increase the exports to these countries and to explore the new markets; and
- (d) the success achieved by the Government in this regard?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

- (a) to (d): India's Trade with West Asia region comprising GCC countries i.e Bahrain, Kuwait, Oman, Qatar, Saudi Arabia, UAE and other West Asia region comprising Iraq, Iran, Israel, Jordan, Lebanon, Syria, and Yemen was recorded at USD 171.91 bn, USD 125.49 bn and, USD 129.97 bn, during the year 2014-15, 2015-16 and 2016-17, respectively (Table1 at Annex). While in the current year (April-May) 2017-18, it has been recorded at USD 24.57 bn (Table-2 at Annex). There is adequate potential for India's exports to these countries. With a view to unleash this potential, the Government continues to engage pro-actively with West Asian Countries to strengthen trade and economic relations. Tariff and Non-Tariff Barriers impacting trade between India and countries in west Asian region are deliberated and reviewed for appropriate resolution on regular basis through bilateral /multilateral forums. Trade Fairs, Exhibitions, Buyer-Seller Meets are regularly organized with financial support of Department of Commerce under its Market Access Initiative (MAI) scheme with a view to explore opportunities for boosting India's exports to the rest of the World including countries in West Asia region. India's exports to countries in West Asia region have recorded a growth of 0.49% in the year 2016-17 over the previous year i.e 2015-16.

SOLAR PANEL CASE AT WTO

2502(H). SHRI OM BIRLA:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether the solar panel manufacturers of the United States of America (USA) had expressed their resentment in solar panel procurement case last year and lodged complaints with the World Trade Organisation (WTO) in this regard wherein judgement was given in their favour;
- (b) if so, the reaction of the Government thereto and the strategy being devised for procurement policy in the future;
- (c) whether the Government proposes to seek changes in the existing laws of WTO to give protection to the domestic industries and if so, the details thereof;
- (d) whether the Government is also contemplating to give up the membership of the WTO and if so, the details thereof; and
- (e) whether the Government has taken any decision to formulate National Procurement Policy to give preference to the domestic manufacturers in Government purchases and if so, the details thereof?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a) & (b) : The United States (US) filed a dispute before the Dispute Settlement Body (DSB) of the World Trade Organisation (WTO) on India's domestic content requirements (DCR) in its procurement of solar cells and modules in some of the projects under Phase I and Phase II of the Jawaharlal Nehru National Solar Mission (JNNSM), claiming inconsistency with the WTO obligations. Based on the findings and recommendations of WTO Appellate Body/Panel, the DSB ruled that India's stated measures, which mandates DCR for the private developers, is inconsistent with its obligations under the WTO and hence India should bring its measures in conformity with its obligation under WTO within the reasonable period of time as mutually agreed upon.

(c) & (d) : Government of India (GoI) is neither considering approaching WTO for amendment of the WTO text for allowing DCR nor withdrawing from the membership of WTO on this account.

(e) : General Financial Rules (GFR) 2006 and the manuals, notifications/orders issued thereunder, governing the Central Government procurement (GP), provides for preference to domestic manufacturers. Apart from this, certain policy documents like the National Electronics policy, the Telecom Policy etc have mandatory DCR provisions on GP, which are based on the discipline on GP under WTO. GoI also facilitates such procurement through other ways as well, including subsidising domestic manufacturers, wherever required and feasible.

IMPORT-EXPORT OF DRUGS

2504. SHRIMATI HEMA MALINI:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) the quantum and value of medicines/drugs imported during each of the last three years and current year, country-wise;
- (b) whether India is largely dependent on import particularly from China to meet the bulk of the requirement of various drugs including essential drugs and Active Pharmaceutical Ingredients (APIs);
- (c) if so, the details thereof and the reasons therefor; and
- (d) the measures taken by Government to boost export of medicines/ drugs and encourage the Indian pharmaceutical companies to increase their production so as to reduce dependence on imports?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a): The value of medicines/drugs imported into the country along with the quantity for top 30 countries during the last three years and the current year is given at **Annexure-I**.

(b) & (c): The estimated production of bulk drugs by indigenous drug manufacturing companies in 2016 was US\$ 11.7 billion. Indian drug manufacturers import pharmaceuticals including drug intermediates, bulk drugs and formulations from various countries. India imports substantial drugs and pharmaceuticals from China in the form of raw materials as well as finished products for both domestic consumption and exports. Out of India's total imports of medicines/drugs of US\$ 4.45 billion in 2016-17, imports from China was US\$ 1.96 billion (44.1%). One of the reasons for imports from China is the price competitiveness of these products.

(d): The Government is taking several measures to boost exports under Market Development Assistance (MDA) and Market Access Initiative (MAI) schemes. Financial assistance through Pharmexcil, an Export Promotion Council, is provided under MDA and

MAI Schemes by Department of Commerce to exporters of various pharmaceuticals products particularly small and medium size exporters to promote their exports in various countries. Incentives to pharmaceuticals industry are also available in various trade promotion schemes like Merchandise Exports from India Scheme (MEIS), Advance Authorization Scheme, DFIA (Duty Free Import Authorization) for import of raw materials and Export Promotion Capital Goods (EPCG) Scheme for import of Capital Goods etc.

DECLINE IN EXPORTS

2512. KUNWAR BHARATENDRA:

SHRI KAUSHALENDRA KUMAR:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) the details of the reasons for the continuous downfall in country's exports along with the steps taken by the Government to increase the exports;
- (b) the details of meeting convened with various export promotion councils along with the further consultations planned in this regard;
- (c) whether the Government has stopped imports and exports during the last week of June and first week of July, 2017 due to Goods and Services Tax works; and
- (d) if so, the details thereof along with the damage caused to Indian Industries as a result thereof?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

- (a). India did not have a continuous downfall in exports. India had a positive annual export growth for the year April 2016-March 2017. In addition, India also had a positive export growth for the last nine months starting September 2016.

The Government has taken following steps to increase India's exports:

- (i) The New Foreign Trade Policy (2015-20) was announced on 1st April, 2015 with a focus on supporting both manufacturing and services exports.
- (ii) The Merchandise Exports from India Scheme (MEIS) has been introduced in the Foreign Trade Policy (FTP) 2015-20 on 01.04.2015 with the objective to offset infrastructural inefficiencies and associated costs involved in exporting goods/products which are produced/ manufactured in India and to provide a level playing field to Indian exporters, especially those having high export intensity and employment potential. The Scheme incentivizes exporters in terms of freely transferable Duty Credit Scrips, which are transferable and can be used to pay certain Central duties/taxes including customs duties. The Scheme covers exports of 7914 tariff lines at 8 digit levels to all countries.

- (iii) The Services Exports from India Scheme (SEIS) has been introduced in the Foreign Trade Policy (FTP) 2015-20 on 01.04.2015. The Scheme provides rewards at the rate of 3 to 5% on Net Foreign Exchange earnings, to service providers of notified services from India to rest of the world, in the form of Duty Credit Scrips which are transferable and can be used to pay certain Central duties/taxes including customs duties.
- (iv) The Government has implemented the NiryatBandhu Scheme with an objective to reach out to the new and potential exporters including exporters from Micro, Small & Medium Enterprises (MSMEs) and mentor them through orientation programmes, counseling sessions, individual facilitation etc., on various aspects of foreign trade for being able to get into international trade and boost exports from India.
- (v) As part of the “Ease of Doing Business” initiatives, the Government has launched Single Window Interface for Facilitating Trade (SWIFT) clearances project w.e.f 1st April, 2016. The scheme enables the importers/exporters to file a common electronic ‘Integrated Declaration’ on the Indian Customs Electronic Commerce/Electronic Data Interchange (EC/EDI) Gateway i.e. ICEGATE portal. The Integrated Declaration compiles the information requirements of Customs, FSSAI, Plant Quarantine, Animal Quarantine, Drug Controller, Wild Life Control Bureau and Textile Committee. It replaces nine separate forms required by these 6 different agencies and Customs.
- (vi) Interest Equalization Scheme on pre & post shipment credit was launched to provide cheaper credit to exporters.
- (vii) A new scheme called Special Advance Authorisation Scheme for export of articles of Apparel and Clothing Accessories was introduced w.e.f. 1st September 2016 wherein exporters are entitled for an authorisation for fabrics including inter lining on pre-import basis and all industry rate of Duty Drawback for non-fabric inputs on the exports.
- (viii) Further, the Government continues to provide the facility of access to duty free raw materials and capital goods for exports through schemes like Advance Authorization, Duty Free Import Authorization (DFIA), Export Promotion Capital Goods (EPCG) and drawback / refund of duties.
- (ix) The Government launched a new scheme called Trade Infrastructure for Export Scheme (TIES) w.e.f. 15th March, 2017 with the objective to enhance export competitiveness by bridging gaps in export infrastructure, creating focused export infrastructure, first mile and last mile connectivity for export oriented projects and addressing quality and certification measures. The Central and State Agencies, including Export Promotion Councils, Commodities Boards, SEZ Authorities and Apex Trade Bodies recognised under the EXIM policy of Government of India are eligible for financial support under this scheme.
- (x) The Government has approved the proposal for notification of commitments under the Trade Facilitation Agreement (TFA) of World Trade Organization (WTO), ratification and acceptance of the Instrument of Acceptance of Protocol of TFA to the WTO Secretariat and constitution of the National Committee on Trade Facilitation (NCTF). The Trade Facilitation Agreement (TFA) contains provisions for expediting the movement, release and clearance of goods, including goods in transit. It also sets out measures for effective cooperation between customs and other appropriate authorities on trade facilitation and customs compliance issues. These objectives are in consonance with India’s “Ease of Doing Business” initiative.

(b) Government regularly consults the export promotion councils and other organizations on export related issues. Government has conducted 24 consultations in this calendar year with the export promotion councils in relation to mid-term review of the Foreign Trade Policy.

TRADE BETWEEN INDIA AND PAKISTAN

2517. SHRI KESINENI NANI:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) the total quantity and value of trade between India and Pakistan during the last three years indicating the percentage of trade;
- (b) the details of goods-wise split in terms of volume and percentage in imports and exports with Pakistan during the said period;
- (c) whether Pakistan has not reciprocated the Most Favoured Nation (MFN) status to India; and
- (d) if so, the details thereof along with the reasons for not cancelling the MFN status to Pakistan by India?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a): Since the unit for measurement of quantity varies across products, it is not possible to provide the total quantity of trade between India and Pakistan. However, the value of bilateral trade between India & Pakistan during the last three years, and its share of India's total trade, is given below:-

Value in USD Million			
	FY 2014-15	FY 2015-16	FY 2016-17
India's Bilateral Trade with Pakistan(A)	2,354.49	2,612.16	2,288.19
India's Total Trade (B)	7,58,371.89	6,43,296.75	6,60,599.58
(A) as percentage of (B)	0.31%	0.41%	0.35%
Source:DGCI&S Database			

(b): Details of the top 25 products imported from/exported to Pakistan in FY 2016-17, indicating value and percentage, for the last three years, are provided in Annexes 1 and 2.

(c)&(d): Article 1 of General Agreement on Tariffs and Trade (GATT), 1994 requires every WTO member country to accord MFN status to all other member countries. Accordingly, India accords MFN status to all WTO member countries, including Pakistan.

However, Pakistan is yet to transition fully to Most Favoured Nation (MFN) status for India. It maintains a Negative List of 1209 products which are not allowed to be imported from India. In addition, Pakistan also permits only 137 products to be imported from India through Wagah/Attari border land route. In spite of these restrictions, India continues to maintain a substantial trade surplus with Pakistan. No decision has been taken to review the MFN status to Pakistan, so far.

2520. SHRI SANKAR PRASAD DATTA:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) the total number of small tea growers in various States of the country at present, State-wise;
- (b) whether the Government proposes to unveil a new notification/ guidelines for setting up mini and micro factories for small tea growers through the Tea Board of India;
- (c) if so, the details thereof along with the salient features of these guidelines; and
- (d) the details of various benefits/ assistance being provided by the Government to small tea growers including the measures to boost their tea cultivation?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

- (a): The total number of small tea growers in various states of the country at present, State-wise is given in the following Table:

Name of state	No. of growers
Assam	69284
West Bengal	35140
Tamil Nadu	45125
Kerala	8414
Tripura	2813
Himachal Pradesh	5897
Others*	13775
Total	180448

* Other includes Arunachal Pradesh, Meghalaya, Mizoram, Nagaland, Manipur, Bihar, Sikkim, Uttarakhand.

- (b) & (c): The Central Government has already amended the Tea (Marketing) Control Order, 2003 vide notification S.O.21 dated 3.1.2017 thereby providing for establishment of Mini tea factories by small tea growers, association of small tea

growers or a producer company which sources all the required tea leaves from their own plantation for manufacturing and have a capacity to produce not more than 500 Kgs. of made tea per day. The Mini Tea Factories are exempted from obtaining any registration/no objection certificate for manufacturing tea. Only, a Certificate will have to be obtained from the 'Certifying Authority' of the Tea Board for selling manufactured or hold stock of tea.

- (d): In order to boost cultivation of tea by small tea growers, the Central Government through Tea Board provides financial assistance to the small tea growers for New Planting, Replanting, Rejuvenation pruning, Irrigation, Field mechanization, etc. During the period 2012-13 to 2016-17, a sum of Rs.14.82 Crs. has been spent for the benefit of small tea growers.

A separate Small Growers Directorate is operational in Dibrugarh, Assam to look after the developmental needs of the small tea growers by way of extending regular technical support/training, helping them to organize Self Help Groups (SHGs) and motivating them for establishing their own processing factories.

Government has set up District Level Price Monitoring Committees headed by the District Commissioner / District Magistrate to monitor the green leaf price paid by tea factories to the small tea growers.

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

- (a) & (b) Yes Madam. Meetings and inter-departmental consultations are being held regularly to address the concerns of exporters related to GST.
- (c) Efforts are made to address the concerns of the exporters on a regular basis to the extent possible. A comprehensive review is undertaken during the mid-term review of the Foreign Trade Policy.
- (d) The issues raised by the exporters which are under the jurisdiction of the GST Council are taken up for its consideration. The representation received from the trade associations have been forwarded for the consideration of the Council.

- (e) The World Bank team interacts with the Government as well as private organisations to gather data for use in its Doing Business report regarding reforms undertaken by the Central & State Governments. The reforms are informed to the World Bank's "Doing Business Team" for inclusion in the report regularly. India has improved its rank during the last two years with significant improvement under the electricity parameter.
- (f) Government has adopted a multipronged strategy to make people aware of the details of the GST. This includes extensive use of TV, Radio and Newspapers to reach the people in cities and rural India. All ministries have launched ambitious outreach programmes for resolving the issues faced at the field level. The GST awareness campaign led by Central Board of Excise and Customs alone has so far conducted more than 4000 outreach programs across the country. In addition, Sectoral guidebooks and FAQs have been placed on the websites of the departments.
