ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्यमंत्री (श्री जितिन प्रसाद)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SHRI JITIN PRASADA)

(a) to (c): Government of India, through Tea Board, is currently implementing the scheme 'Tea Development and Promotion Scheme', under which assistance is being provided for uprooting & re-plantation of old and senile tea bushes, throughout the country, including in Darjeeling. Under the replantation component of this scheme, preference is given to tea gardens located in Darjeeling Hills which fulfill all other criteria. In addition, the minimum area condition for replantation of 4 hectare has been relaxed for Darjeeling hills to 1 hectare. Rejuvenation pruning is currently not a part of the above scheme.

(d): Tea Board has formed a Scheme Co-ordination and Monitoring Committee (SC&MC) & Steering Committee for monitoring the implementation and progress of the scheme. Further, nodal officers have been appointed by Tea Board for various components/sub-components of the scheme. The SC&MC meets on monthly basis to oversee the implementation of the scheme and to review the physical and financial progress. Further, the services for implementation of the various sub-components of the scheme are provided through online mode at "ServicePlus" portal.
