Maharashtra, a state in the west-central part of India is one of the fastest growing economies in India with Mumbai its capital established as the financial capital of the country. Maharashtra experiences a tropical monsoon climate with hot, rainy, and cold weather seasons and dry summers. The state has three crucial biogeographic zones, namely Western Ghats, Deccan Plateau, and the West coast and it may be divided into four meteorological regions, namely coastal Konkan, Western Maharashtra, Marathwada, and Vidarbha. The state has been divided into nine agro-climatic zones on the basis of annual rainfall soil types, vegetation and cropping pattern.India's spice exports, with a volume of 1531154 tonnes valued at Rs 30576 crores during 2021-22 scaled the landmark level of 4.1 billion US $ in terms of value realization. Spices exports now constitute 9% of the total agriculture exports and over 40% of India's horticulture exports.

The spices sector has been gradually gaining a significant position in the state of Maharashtra as well. In 2021-22, the state produced 581033 MT of spices from an area of around 128475 ha. Maharashtra is the largest producer of turmeric in the country. Major spices cultivated in the state are; Turmeric, Ginger, Chilli, Kokum, Garlic, Cinnamon, Coriander, Black Pepper, Nutmeg, Fenugreek and Tamarind across the regions of Sangli, Satara, Kolhapur, Hingoli, Nanded, Yavatmal, Wardha, Washim, Nagpur, Chandrapur, Buldhana, Gadachiroli, Parabhani, Sindhudurg, Ratnagiri, Aurangabad, Jalna, Dule, Nandurbar, Jalgaon, Solapur etc. besides being a major processing and trade hub of spices. It is noteworthy, that the state has also registered more than 20 Agriculture Geographical Indications (GI), out of which five(5) are from spices sector and they are Kokam from Sindhudurg, Turmeric of Waigaon and Sangli (Rajapuri), Bhiwapur Chilli from Nagpur and Pomegranate of Solapur. Under the promotion of Agri Export Policy (AEP), the State government has announced three (3) clusters of spices like Chilli in Nandurbar, Buldhana and Nagpur Districts; Turmeric in Sangli, Satara, Hingoli, Washim, Wardha, Nanded, Yavatmal and Parbhani Districts and Pomegranate in Sangli, Nashik, Solapur, Ahmednagar, Thane, Osmanabad, Washim, Buldhana and Latur Districts. The state government has also declared four districts; Hingoli, Wardha, Yavatmal and Nanded for spices under One District and One Product (ODOP) scheme.

Spices cultivation is gaining momentum in Maharashtra and production is increasing every year. Ports of Mumbai play a crucial role in the export of processed/value added spices and spice products. In 2021-22, the total exports of spices and spice products from Mumbai ports was around 312049.79 MT which contributed to 20% of the total volume of spice exports of the country. Spices Board has around 1102 registered spice exporters in Maharashtra, including 85 manufacturer exporters, 1017 merchant exporters along with 14 registered cardamom dealers and one auctioneer for cardamom. The Board has established a state of the art Quality Evaluation Laboratory (QEL) at Mumbai for testing spices under various quality parameters and food safety standards to cater to the industry requirements.

Spices Board (Ministry of Commerce and Industry, Government of India) is the flagship organization for the development and export promotion of Indian spices. The Board has been implementing various schemes for the export oriented production of spices, adoption of post-harvest technology and quality improvement training to the spices growers, Farmers Producer Organisation/Farmers Producer Companies throughout the country in spices growing regions. Accordingly, in Maharashtra the Board has been imparting training on quality improvement, supporting post-harvest mechanization such as boilers, polishers etc so as to help in production of an exportable surplus.

Spices Board with a view to facilitate better price realisation and explore better marketing channels to promote the export of spices and spice products, has been organizing Buyer-Seller Meets (BSM).

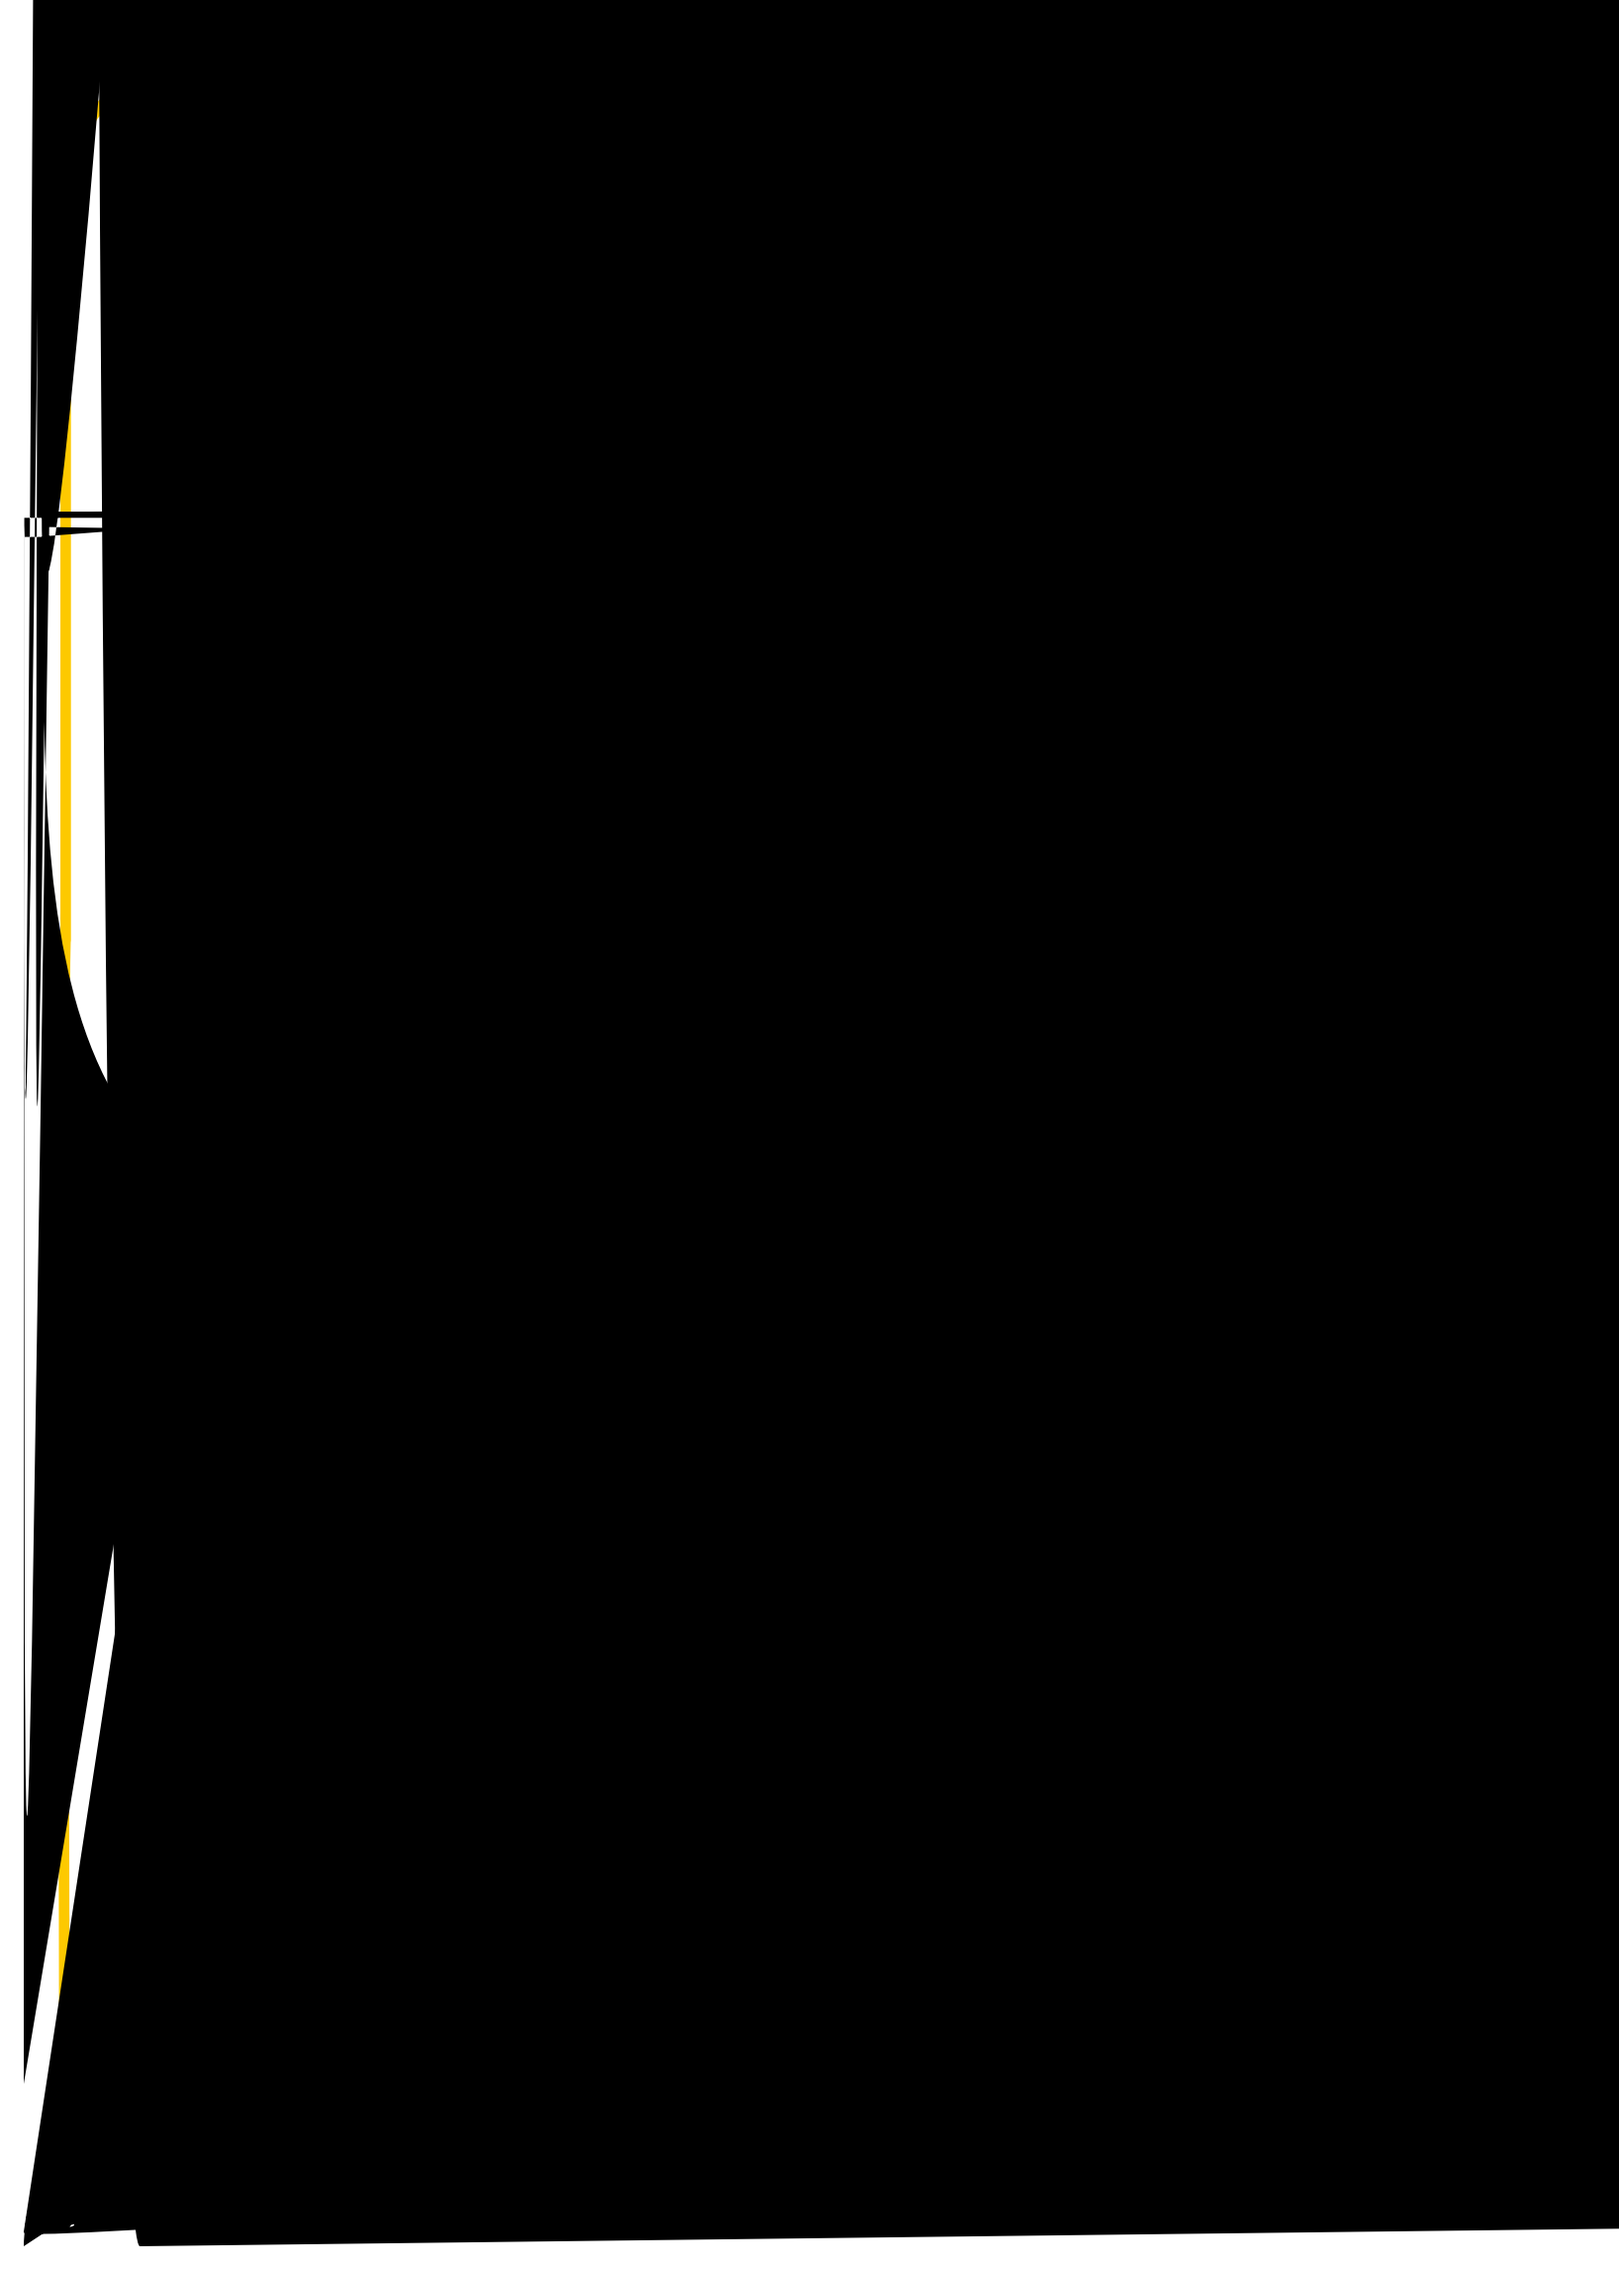

Mumbai being the largest export market for spices a Buyer Seller Meet between the Exporters and spices growers/suppliers is scheduled on 24th March 2023 in Navi Mumbai at Hotel Country Inn, Mahape, Navi Mumbai from 10:00 am to 5:00 pm.

Around 150 sellers/producers representing FPOs, progressive farmers, farmer's societies, processors and traders from Maharashtra will be participating in the BSM.

Objective of Buyer seller Meet in Mumbai:

- To establish a direct link of spices growers with the exporters.
- To provide an opportunity to Mumbai based spice exporters, to have linkage and access with the sellers from the major spice producing regions of Maharashtra.
- To promote the Geographical Indication (GI) tagged valuable spices from the state and help create niche markets for the farming community who have preserved the indigenous nature and exclusive quality of their GI produce.
- To create a better understanding between spices producing community and trading community in the state.
