

Online Buyer Seller Meet for *Saffron*

25th November, 2020
at 1.30 pm to 5.00 pm

Spices Board (Ministry of Commerce & Industry, Govt. of India), the flagship organization for the development and worldwide promotion of Indian spices including saffron, has been spearheading activities for promotion and facilitation of spice trade by strengthening linkages at various levels of spice industry.

India's spice exports, with a volume of 11,83,000 MT valued at Rs.21515.40 crore during 2019-20, scaled the landmark level of 3 billion US\$ in value realization, besides recording a growth rate of 8% in volume, 10% in rupee terms and 8% in dollar terms, over the previous year, despite the global pandemic situation.

Saffron, the most expensive spice is grown mainly in the district of Pulwama, Budgam, Kishtwar and Srinagar in the UT of J&K. The Kashmir saffron, which is cultivated and harvested in the Karewa (highlands) of Jammu and Kashmir, has been given the Geographical Indication (GI) tag by the Geographical Indications Registry, recently.

Government of India has established Saffron Production and Export Development Agency (SPEDA) at Srinagar, J&K for the development, marketing, quality improvement and export promotion of saffron in the country. SPEDA is co-chaired by Secretary of Department of Commerce, Ministry of Commerce & Industry and Chief Secretary, UT of J&K. In order to facilitate the activities of SPEDA, Spices Board has established a Regional Office at Srinagar in 2015. The Board is implementing various post-harvest quality improvement and export promotion programmes for the benefit of saffron farmers and exporters in the region with the co-operation of the Agriculture Department, UT of J&K and Sher-e-Kashmir University of Agricultural Sciences and Technology, Kashmir. Apart from these, Spices Board with a view to promote the export of spices and spice products, has been organizing Buyer Seller Meets (BSM), so as to provide a common platform for the Buyers and Sellers of the spice industry, to interact directly and establish effective business linkages.

With an objective to provide effective market linkages for the trade of saffron, Spices Board in partnership with the Agriculture Department, UT of J&K is organizing an online Buyer Seller Meet with focus on Saffron on 25th of November, 2020 from 1.30 pm to 5.00 pm.

More than 80 sellers/producers representing progressive farmers, farmer's societies, processors and traders from the J&K and 50 exporters from across the country will be attending in the BSM.
