

Buyer Seller Meet for Spices of North East

State Convention Centre, Shillong, Meghalaya
on 23 February 2024

North-eastern states of India are blessed with serene landscape, rich biodiversity and diverse agroclimatic zones that holds immense potential for development of agri-horticulture sector. The region offers an array of indigenous spices varieties with intrinsic qualities like Lakadong turmeric, Nadia ginger, King Chilli, Bird's eye chilli, etc., that are mostly organic by default.

Spices Board under Ministry of Commerce and Industry, Govt of India is undertaking various activities and organizing programmes in North eastern states with a view to strengthen the supply chain of spices as well as to facilitate sustainable development of the spices sector in the region.

In order to provide a platform for better commerce and trade by creating direct linkages of the spice farmers of North-eastern region with exporters, Spices Board is organizing a Buyer-Seller Meeting (BSM) on 23 February 2024 at State Convention Centre, Shillong, Meghalaya.

BSMs are found to be instrumental in providing opportunities for direct and effective business linkages among the stakeholders. It provides a platform for exploring better marketing channels and facilitate better price realization for the stakeholders of spices sector. Around 150 participants including FPOs, progressive farmers, farmers' societies, processors and traders from nearby states of Meghalaya as well as exporters from across the country will be attending the event.
