Buyer Seller Meet (BSM)

for Spices

of Sikkim & North Bengal

Indian Spices are renowned for their rich intrinsic qualities across the world from time immemorial. India continues to be the leader in production, export and domestic consumption of spices in the world. Indian spices production reached close to 10 million tonnes during 2019-20.
Indian Spices exports crossed 3 billion US $ during 2019-20 with a record volume of 11,83,000 tonnes valued at Rs.21515.40 crore registering a growth rate of 8% in volume, 10% in rupee terms and 8% in dollar terms over the previous year.

Large cardamom, Ginger, Turmeric, Chillies, etc. are the important spices grown in the state of Sikkim and Darjeeling & Kalimpong Districts in North Bengal region. Sikkim is the largest producer of large cardamom in the country. GI tag has been obtained for Sikkim Large Cardamom .Cherry Pepper (Dally Khursani) grown only in the Sikkim and North Bengal is having more than 1 lakh scoville heat units with unique flavour and shiny appearance and is very much preferred in the Nepali cuisine as well as in the pickle industry. The GI application had been already filed for Cherry Pepper (Dally Khursani) with GI Registry, Chennai. Todey Tangta large cardamom and Gorupathan ginger grown in the region are potential candidates for obtaining GI registration. Sikkim is the declared organic state in the country. Spices are produced by adopting indigenous farming practices in North Bengal also.

The major challenges faced in the production and marketing spices in the region include lack of awareness on post harvest management in spices, inadequate availability of primary processing/ value addition / storage facilities, inadequate market linkage, logistics issues, etc.

Spices Board is looking after research, development, marketing of large cardamom and export promotion of 52 spices scheduled in the Spices Board Act. Keeping this in view, Spices Board is having one Regional Offices, 4 Divisional Offices 2 Field Offices in the region. Spices Board is having a Regional Research Station of Indian Cardamom Research Institute at Tadong with research farms at Pangthang and Kabi.

Spices Board established Gangtok Spice Development Agency (SDA) chaired by the Chief Secretary of the Sikkim with members representing various stakeholders to co-ordinate the programmes / projects implemented by the State / Central Agencies for production, development, marketing, quality and export promotion of spices in the region.

Spices Board is implementing various programmes for development of large cardamom in the region viz. Planting material production, replanting, construction of modified bhatti, etc. by providing financial support to the growers in the region through Direct Benefit Transfer (DBT). Higher assistance of 75% is provided to SC / ST growers in the region. The Board has instituted large cardamom productivity award scheme to encourage healthy competition among the growers to increase the productivity.

Spices Board is issuing Certification of Resgistration as Exporter of Spices (CRES) to the exporters of spices and dealer licneses to the large cardamom traders. The details for submitting applications are available in the Board's website (www.indianspices.com).

Spices Board is implementing programmes for export promotion by providing assistance for exporters for setting up spices processing units in NE region, packaging development, reimbursement of courier charges for sending samples abroad, International Trade fair participation, etc.

The Board is regularly conducting Quality Improvement Training Programmes to the farmers, FPOs, traders, exporters, officials of state Agri / Horti Depts, members of NGOs on the updated quality requirements and quality improvement practices to be adopted by the stakeholders. The Board is arranging exposure visits to the Spices growers in the region to the elite plantations, leading Research Institutes, export processing units, etc. to create awareness on the Ipost harvest management, quality improvement and recent developments in spices sector. The Board is also conducting Recognition of Prior Learning (RPL) programmes to the spices growers in the region for skill development under PMKVY.

Considering the need to fully tap the potential of intrinsically rich spices grown in Sikkim & North Bengal for value addition and exports, Spices Board is organizing a Buyer Seller Meet (BSM) on Spices in Sikkim and North Bengal through virtual mode on 11th December 2020 from 2.30 p.m. to 5.00 p.m. in association with Horticulture and Cash Crops Development Department, Govt of Sikkim and Confederation of Indian Industry (CII), Sikkim & North Bengal to provide a platform for the farmers farmers' groups, FPOs (sellers) to interact directly with exporters, processors & institutional buyers and establish establish market linkages for improving the value chain.

Sellers of spices representing growers, grower groups, Farmer Producer Organizations etc of spices (around 180 nos) viz, large cardamom, ginger, turmeric, cherry pepper, black pepper and bay leaf from all the Districts in Sikkim State and Darjeeling, Kalimpong, Jalpaiguri, Cooch Behar, Alipurduar and Uttar Dinajpur Districts in North Bengal Region of West Bengal State have registered for participation in the BSM. Around 50 buyers representing exporters, processors and institutional buyers from Sikkim, West Bengal, Assam, Delhi, Karnataka, Kerala, Tamil Nadu, Maharashtra, Chattisgarh, Madhya Pradesh, Telangana, Uttar Pradesh, Gujarat and Haryana have registered for participation in the BSM. The details of sellers and buyers are given below:

Details of Sellers (Farmers / Farmers Groups / FPOs)

Sl. No	Name and Address of FPO/ SHG /SPS/Farmer	Mobile No.	E-mail ID	Spices Production
1.	Rakdang Tintek Organic Farmers' Producer Cooperative Society Limited. Samdong ;P/O:- Samdong East Sikkim-737107	+91 6297293045 +919382058383	Contact Person :Mr.Govind Neopaney (President) Email id:tintekrakdongofpc@gmail.com	Ginger =7 MT Turmeric =15 MT L.Cardamom =5 MT
