Sir,

Sub: Empanellment of manufacturer / fabricator of Post Harvest Machinaries / devices under the programme of Spices Board-reg.

Ref: Your application Dated 15.11.2021

The EOI submitted for Empanellment of Pepper Thresher manufactured by your firm is processed. As per the programme, farmers are free to purchase from the Empanelled manufacturers after payment of full cost. The Board will not be responsible for any payment. You may issue the farmers Cash bill / Tax invoice and the cash receipt indicating the price, taxes, model number, serial number and capacity of the machine whenever the farmers purchase the equipment. A metal plate indicating the name of the manufacturer, name of equipment, model number, serial number, capacity, year of manufacturing should be affixed/engraved on the machine. The details of empanelled Pepper Threshers are given below.

| Sl. No. | Model | Capacity(Kg ) | Driven by                                   | New Total Cost (inclusive of all taxes) in Rs. |
|---------|-------|---------------|---------------------------------------------|------------------------------------------------|
| 1       | RLA-1 | 200 Kg/hr     | 0.5 HP Motor                                | 18500                                          |
| 2       | RLA-2 | 200 Kg/hr     | Power Tiller of the customer                | 16500                                          |
| 3       | RLA-3 | 200 Kg/hr     | 0.5 HP Motor & Power Tiller of the customer | 20500                                          |
| 4       | RLA-4 | 200 Kg/hr     | Diesel / Petrol Engine of the Custmer       | 17500                                          |
| 5       | RLB-1 | 500 Kg/hr     | 1 HP Motor                                  | 28500                                          |
| 6       | RLB-2 | 500 Kg/hr     | Power Tiller of the customer                | 23500                                          |
| 7       | RLB-3 | 500 Kg/hr     | 1 HP Motor & Power Tiller of the customer   | 30500                                          |
| 8       | RLB-4 | 500 Kg/hr     | Diesel / Petrol Engine of the Custmer       | 25500                                          |

|    |        |                 |                                             |       |
|----|--------|-----------------|---------------------------------------------|-------|
| 9  | RLC-1  | 1500 Kg/hr      | 2 HP Motor                                  | 50500 |
| 10 | RLC-2  | 1500 Kg/hr      | Power Tiller of the customer                | 43500 |
