Dear Members,

Please note that as per Para 2.05(d) of Foreign Trade Policy 2023, **an IEC holder has to ensure that details in its IEC** are updated electronically every year, during the **April- June period**. In cases, where there are no changes in IEC details, the same also needs to be confirmed online.

In accordance with **Para 2.05(e) of Foreign Trade Policy 2023**, the deactivation process of IECs which have not yet been updated has been initiated by DGFT. Hence it is requested to please modify or update your IECs on or before **16 September 2025**. Please also note that members who failed to modify or update his IEC within the given prescribed time their **IEC deactivation** will begin from **16th September, 2025**.

Members are once again requested, to please modify or update your IECs, so that unnecessary deactivation, is avoided and you are able to carry out your export activity without difficulty.

Please ignore if you have already modified or updated your IEC.

Kind Regards,

Mahesh N. Sanil
