1. REVIEW OF EXPORT PERFORMANCE

The export analysis shown in Table 1 indicates that growth in 2017-18 was positive at 17.10% implying exports of 8.85 billion US Dollars. Plastic raw materials – the largest category – constituted 37% of total plastics export and recorded a growth of 28.52% in 2017-18. Export of value-added items also registered a positive growth of 12.36% on account of increased sales of a variety of products including plastic sheets / films / plates, woven sacks / FIBC, optical items, stationery for office and school, and photo films. Value-added items formed 60% of total plastics export in 2017-18. The direction of plastics export, as shown in Table 2, indicates that plastics export to major destinations like United States, China, Italy, Turkey and Vietnam firmed up in 2017-18.

7. OTHER MEETINGS

7.1 Meeting with Commercial Representatives of Indian Missions in Asia Pacific Region with Export Promotion Councils – April 20, 2017 – Foreign Service Institute, New Delhi

The meeting with Commercial Representatives (CR's) from our Missions in Asia Pacific region, held at the Foreign Service Institute & it was fairly well attended. Commercial Representatives at the level of Consul General/First Secretary/Second Secretary were present from most of our Missions in the Asia Pacific Region. Some of the issues highlighted by the CR's were the following:

- Missions should be informed by the EPC's well in advance about the events they propose to participate in.
- Cancellation of events by EPC's at the last minute must be avoided. This causes a huge embarrassment to the Missions who contact the local Chamber of Commerce/Buyers for the event proposed by the EPC.
- EPC's should give a feedback to the Missions with regard to the exhibitions/BSM's in which they have participated.
- The overall display at exhibitions need to be improved by the EPC's.
- Publicity material prepared by the EPC should be in the local language as well. This was particularly highlighted by the CR from China.
- Our Council gave the following suggestions to the CR's:
- Missions should try and have the events organised by the EPC's, covered by the local media in order to have good publicity for these events.
- Missions were informed about the CAPINDIA event, and requested that they suggest suitable buyers for the RBSM proposed during CAPINDIA.
- Some of the other EPC's who attended the meeting were EEPC, SGEPC, Shefexil, Carpet EPC, Electronics & Software EPC, FIEO etc. The meeting was chaired by Ms. Sangeeta Bahadur, IFS, Joint Secretary, Ministry of External Affairs.

Mr. Sanjiv Dewan represented the Council at the meeting.

7.2 National Standards Conclave for Evolving a Comprehensive National Strategy for Standards May 1-2, 2017 – Hotel the Lalit, New Delhi

- Launch of the India Standards Portal by the Hon'ble Minister for Commerce & Industry, Ms. Nirmala Sitharaman. The portal is a joint initiative of the Department of Commerce and CII. It is operated and managed by CII, and can be accessed at: www.indiastandardsportal.org. The portal is a one stop center for all information on Standards, Technical Regulations, conformity assessment & accreditation practices, and the related bodies in India.
- Presentation on the ZED Scheme of the Ministry of MSME, by Dr. A.Raj, Senior Adviser, Quality Council of India. The ZED Scheme (Zero Defect, Zero effect on the environment) for the MSME sector, proposes to assess MSME's on various parameters, focusing on quality and environmental performances. It aims to rate and handhold all MSME's to deliver top quality products using clean technology. ZED certified companies are likely to be made a benchmark for suppliers to PSU's and Defence sector, and will serve as a credible recognition for international customers and foreign direct investors seeking investments in India.

The Ministry of MSME has also launched the "Financial support to MSME's in ZED certification scheme" for the benefit of MSME's during the 12th Five Year Plan. Details of the same can be obtained at: dcmsme.gov.in/guidelines-zed-final.pdf. Complete details about the ZED Scheme can be obtained at www.zed.org.in.

- Technological obsolescence

In the discussion on Environmental regulations, CII highlighted in their presentation, that there should not be a conflict between Environmental regulations and the "Make in India" programme of the Government.

The discussion on FTA and Pre – budget proposals, basically stressed on addressing the inverted duty structures that have resulted due to the FTA's. The pre – budget proposal discussion, stressed on tariffs being raised on some of the intermediate and finished products, in order to support domestic manufacturing.

All the major associations from the Chemicals & Petrochemicals sector, such as CPMA, AIPMA, ICC, AIFTMA, OPPI, Chemexcil, apart from CII and FICCI, attended the interaction session cum workshop.

Mr.Sanjiv R. Dewan, Regional Director represented the Council at the above Interaction Session cum Workshop.

7.17 Meeting to finalise the modalities of Export Promotion Councils participation in ASEAN –India Business and Investment Meet and Expo 2018 – December 15, 2017 - Udyog Bhawan, New Delhi

As part of the Commemoration of the 25 years of the ASEAN – India Dialogue Partnership, the Ministry of Commerce & Industry & Ministry of External Affairs in collaboration with the Confederation of Indian Industry (CII) proposed to organise the ASEAN – India Business and Investment Meet and Expo 2018 at Hotel Ashoka, New Delhi. This was a flagship initiative being organised to showcase the best initiatives from the government and Industry from India and ASEAN countries across various sectors of mutual cooperation.

To finalise the modalities of organising this event, a meeting was chaired by Shri Rajneesh, Joint Secretary, Department of Commerce on December 15, 2017 at Udyog Bhawan.

At the meeting, the JS stated that the key EPCs shortlisted for this event, should identify those member exporters, who have a strong presence/interest in the ASEAN region, and give them an opportunity to display their products and participate in this event. JS directed CII to get details of such member exporters from these key EPCs. The key EPCs shortlisted were EEPC, Pharmexil, Chemexil, Plexconcil, Carpet EPC, SEPC, GJEPC, and APEDA. CII proposed to give each of these EPCs an 18 sq.m booth on free of cost basis at this event, as mentioned by them in the meeting.

Mr. Sanjiv R. Dewan, Regional Director represented the Council at the above meeting.

7.18 Meeting on India-Peru Trade Agreement- Stakeholder consultation on Trade in Goods Chapters – December 27, 2017 – Udyog Bhawan, New Delhi

The meeting was chaired by Mr. Shyamal Mishra, IAS, Joint Secretary. The Joint Secretary emphasized that FTAs can not be concluded by industry just seeking more concessions. India needs to give concessions on as many tariff lines as well, and it is here that industry inputs are critical.

Although the above meeting was to discuss India's wish list, and the Council's stand was to retain all the items for concessions, falling under our purview in the wish list, the discussion focussed more on the tariff lines on which we should be giving concessions to Peru, along with the reasoning for the same. Joint Secretary asked all concerned EPCs to give their inputs in this regard latest by 15th January, 2018.

Mr. Sanjiv R. Dewan, Regional Director represented Council at the above meeting

7.19 Meeting regarding issues related to Anti Dumping Duties imposed by India on imports of goods from various countries – January 17, 2018 - Directorate General of Anti Dumping & Allied Duties, Jeevan Tara Building, New Delhi

Mr. Sunil Kumar, Additional Secretary, Department of Commerce, chaired a meeting at the DGAD (Directorate General of Anti-Dumping & Allied Duties) office today to discuss issues related to Anti Dumping Duties imposed by India on imports of products from various countries.

The meeting was held to basically sensitise the various Chambers of Commerce / EPCs about the functioning of DGAD, and make us active stakeholders, so that we furnish appropriate views/ inputs, giving the industry's perspective, to enable DGAD to take an informed decision before imposing Anti-Dumping Duties.

In view of the above, it was suggested at the meeting that each EPC / Chamber, appoint a nodal officer with whom DGAD can communicate and interact, with regard to the various Anti-Dumping investigations.

Our Council represented that while the producers who were beneficiaries of the AD measures were large companies, the user industry was generally in the SSI sector. Appreciating this, it was felt that because of this asymmetry, for a balanced decision, structured questionnaire and participation by the user industry was required.

After some discussions the following was decided:

- All Industry Associations/Chambers of Commerce will provide name/contact details of a nodal officer in their organisation to interact with DGAD on various trade remedial measures.
- For the purpose of referencing a normal domestic selling price in an exporting country, chambers of commerce could help in providing information based on various secondary source databases to assist the authority in investigation.
- A structured questionnaire to capture issues related to product types being imported and those manufactured by Domestic Industry, aspects of demand-supply gap, usage by small scale industry sector, impact on downstream production on account of levy of an AD/CVD measures etc. but not limited to above would be provided by user associations who had agreed to do so in the meeting.
- DGAD will provide a brief note on its approach towards evaluating the questionnaire response being filed by producers/exporters from China in various Anti-Dumping investigations in view of the expiry of Accession Protocol with WTO of China on 11th December, 2016.

Mr. Sanjiv R. Dewan represented Council at the above meeting.

7.20 4th edition of Bengal Global Business Summit (BGBS) – Kolkata - 16-17 January, 2018

The 4th edition of Bengal Global Business Summit (BGBS) was held on 16-17 January, 2018 in Kolkata organized by the Government of West Bengal. FICCI was the Summit Partner, KPMG was the Knowledge Partner. It was informed that the previous three summits proved to be milestones in terms of establishing Bengal as an ideal investment destination. BGBS 2017 received participation of over 4000 delegates from across India and 29 countries. Multiple delegations from Europe, America and Asia participated at the Summit. Japan, Germany, Italy and Poland were the Partner Countries. Chief Minister of Bengal & eminent industrialist spoke at this function.

Mr A K Basak, Chairman & Mr Nilotpal Biswas, Regional Director represented the Council in this business summit.

7.21 Meeting with Mr.Sunil Kumar, Additional Secretary and Designated Authority – February 20, 2018 - DGAD office, New Delhi.

The meeting was organised to discuss issues pertaining to Anti Dumping Duty on PVC Resin, and a petition pending before DGAD for imposing Anti Dumping Duty on Dioctyl Phthalate (DOP). Mr. Sunil Kumar explained that interested exporters should register themselves as an interested party with DGAD, once any Anti Dumping petitions are filed with DGAD. To get details of such petitions, interested exporters should visit the DGAD website.

Mr. Arvind Goenka, Regional Chairman (North) and Mr. Sanjiv R. Dewan, Regional Director furnished brief details regarding the above-mentioned issues to Mr. Sunil Kumar at the meeting.

7.22 Stakeholders Consultation in India-EU BTIA – March 14, 2018 - Udyog Bhawan, New Delhi.

The above meeting was held under the Chairpersonship of Ms. Anita Praveen, Joint Secretary, Department of Commerce, and Chief Negotiator in India-EU BTIA. The Joint Secretary informed that we need to give a list of items of our aggressive interest to the EU, where we need concessions, based on EU's tariff lines, while also furnishing a list of items which need to be kept on our sensitive/negative list. Further, she informed that in order to have fruitful negotiations, we should also have a list of items ready, where we could offer concessions to the EU.

Mr. Sanjiv R. Dewan represented our Council during the meeting

7.23 Other Trade Facilitation / Grievance Committee Meetings and individual grievances / representations from members

Other Trade facilitation and grievance redressal and related meetings convened by various Government Ministries/Departments and Agencies were attended by Council officers. Individual grievances and representations from members were also taken up individually with the Office of the Joint/Addl. DGFTs, Customs Department and GST Department appropriately.

INDEPENDENT AUDITOR'S REPORT

**TO,
THE MEMBERS
THE PLASTICS EXPORT PROMOTION COUNCIL
MUMBAI**

Report on Financial Statement

We have audited the accompanying financial statements of **THE PLASTICS EXPORT PROMOTION COUNCIL**, which comprise of the balance sheet as at 31st March, 2018, the statement of the Income and Expenditure Account for the year ended on that date and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Management Committee is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2018 and its Deficit for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act are not applicable to the company.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The balance sheet and the statement of income and expenditure dealt with by this Report are in agreement with the books of account;

- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors as on 31 March 2018 taken on record by the Management Committee, none of the directors is disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164 (2) of the Act; and
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF THE PLASTICS EXPORT PROMOTION COUNCIL

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **THE PLASTICS EXPORTS PROMOTION COUNCIL** ('the Company') as of 31-Mar-2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31-Mar-2018.
