Sub: Participation at 4th India-ASEAN Expo and Summit 2019

We are pleased to inform about the 4th India-ASEAN Expo and Summit 2019, scheduled to be held during 21st to 23rd February, 2019 at Jawaharlal Nehru Stadium in New Delhi.

Organised by FICCI and supported by Department of Commerce, Ministry of Commerce and Industry, Government of India, the India-ASEAN Expo and Summit provides exhibitors an opportunity to engage in B2B meetings with 100 hosted buyers of various products from the ten ASEAN countries namely, Brunei, Cambodia, Indonesia, Laos, Malaysia, Myanmar, Philippines, Singapore, Thailand and Vietnam. Apart, the India-ASEAN Expo and Summit would also have ministerial presence from the above countries and 25 speakers from various sectors.

India and ASEAN engaged in plastics trade worth US\$ 2.9 billion in 2017. However, the trade was in favour of ASEAN to an extent of US\$ 1.8 billion mainly on account of sizeable imports of plastics raw material by India. Based on our analysis, there are a couple of products like plastic sheets, films, plates; packaging items; medical disposables; optical items; Woven sacks / FBCs; laminates; houseware and writing instruments, in which India can increase its exports to ASEAN.

We urge our members to make the most of the above opportunity and participate in the event.

Regards,

Sribash Dasmohapatra
