Dear Sir(s)

Sub: MEIS Proposals for increase in the rates of MEIS/ Inclusion

The council has received communication from Ministry of Commerce and Industry informing us that various representations have been received for increasing MBS rates to compensate Tariff disadvantages due to FTAs of competing countries with destination.

In order to formulate a proposal, it is requested to the desired members to send HS code- wise countries-wise proposals for increase/inclusions in MBS with justification [Disadvantage due to FTA provisions of competing countries with destination countries and import duties faced by Indian exporters in those countries].

Kindly give your input as per the format given below :-

Sr.No.	HS code (8 digit)	Country	Justification [Disadvantage due to FTA provisions of competing countries with destination countries and import duties faced by Indian exporters in those countries].

Members are therefore requested to urgently send their suggestions by 17/10/2018 with (8 digit HS code specifying the country and justification for MBS rate increase/ inclusion) on e-mail bharti@plexconcil.org so that we can collate all the responses and submit to the ministry at the earliest for consideration.

We request your urgent response in this regard

Yours sincerely,

Sribash Dasmohapatra

Executive Director
