All Members/All Members of the COA

Dear Sirs,

Subject : Regarding study of value chains across sectors vis-à-vis areas where inverted duties are high

Ref. : F.No. : 22/06/2018-FT (WANA) dated 04.07.2019

We wish to inform you that Hon'ble CIM, Department of Commerce has directed that a study be undertaken on the value chains across various sectors for identification of the sectors wherein inverted duties exist or could be there in the future, on account of preferential tariffs or otherwise, which would adversely impact the domestic production of finished goods.

“Inverted duty structure is a situation where import **duty** on finished goods is low compared to the import **duty** on raw materials that are used in the production of such finished goods”.

In view of the above members are requested to provide the cases of inverted duties across various value chain of their product to the undersigned on or before 09.05.2019 at bharti@plexconcil.org

With best regards,
Yours sincerely,

Bharti Parave
(Sr. Executive)
