Dear Sir/Madam,

Subject: Regarding Examination of Tariff Lines

We wish to inform you that Regional & Multilateral Trade Relations (RMTR) Division, Department of Commerce, Ministry of Commerce and Industry has shared a list of 320 products wherein India's import share from FTA countries are less than 50%.

Members are requested to refer to the attached list and let us know any difficulties in importing these products from FTA countries. FTA regions/countries are ASEAN, South Asia, Japan & South Korea.

This exercise will help the department to see if there is a potential to shift these products into FTA countries. Members are requested to revert latest by tomorrow at bharti@plexconcil.org

Best regards
