Dear Sir ,

Thank you for showing interest in participating at Interpack 2021 within the Indian Pavilion organised by Plexconcil!

We have pleasure in informing you that the Council is organizing Indian participation at the **Interpack Germany 2021** exhibition, scheduled to be held between **25th February -3rd March, 2021** at Dusseldorf, Germany. This activity has been **proposed** for financial support from the Department of Commerce, Government of India, under the Market Access Initiative (MAI) scheme.

The Council has been offered a premium location in the exhibition in **Hall 8A & Hall 8B** for both Packaging Technology and Packaging Material. The participants within the Indian Pavilion can avail subsidy provided under the **MAI Scheme** that ranges from **30% - 65%** of the total participation cost on the basis of the Government Approvals.

Please note that due to the limited availability of the space the participation would be purely on first come first serve basis, request to kindly send us the area requirement to enable us to allocate a suitable space for your esteemed organisation as we have **last 3 stalls** left over

Thanking you in anticipation.
