Dear Members,

Greetings from Plexconcil.

We are in receipt of a communication regarding a government policy study being conducted on 'Impact of Covid-19 on India's International Trade: Strategies and Policy Perspectives'. The study covers both merchandise trade and services and intends to see the impact of Covid-19 on India's international trade; examine the emerging areas of concern for exports and opportunities for India arising from Covid-19; and arrive at strategies and policies for tapping the rising opportunities, stemming losses and facilitating trade with greater self-reliance.

In order to provide trade inputs for the above study, members are requested to kindly fill in the online questionnaire <https://forms.gle/txKzda4K2ZiHoUoH6> covering the important areas of study so that an intensive research can be carried out by the policy makers.

Last date for receipt of inputs is 16th October, 2020.

Regards,

Sribash Dasmohapatra
