

Ref. No. : Plexh/Cir/ 050/2021

Date : 04.06.2021

To,

All members of Plexconcil

Dear Sir / Madam,

Subject : Regarding Advanced Cargo Information System - Egypt - Embassy of India, Cairo

We wish to inform you that the Embassy of India, Cairo, Egypt has communicated to us that the Government of Egypt, through its Egyptian Customs Authorities, has made mandatory Advance Cargo Information (ACI) declarations with its new Egyptian Customs Decree 38 for all cargo inbound to Egypt starting 1 July 2021. The process is managed through the National Single Window for Foreign Trade platform (NAFEZA), built by Misr Technology Systems (MTS).

The Mission reached out to the Egyptian Customs to have an understanding of the system and were informed the following :-

- The Egyptian importer should register all needed documents of the shipment on the following portal www.nafeza.gov.eg/en .
- The importer will then receive a shipment number which will be communicated to the Indian exporter to mention it in their shipping documents.
- The importer will then clear the shipment using that number and other shipping documents with the customs authorities.
- In case of any queries, the importer may get in touch with the below company who is authorized by the Egyptian Customs Authority to run the Single Window System:

Misr Technology Services

29 Farid Street, Heliopolis, Cairo

T:02 24149944 / 15460

nafeza@mts-egy.com, Aci.campaign@mts-egy.com

Key details of the decree are attached for your reference.

Member exporting to Egypt are requested to take note of above changes and do the needful accordingly.

Best regards

Bharti Parave

Asst. Director – Trade & Policy
