To,
All the Members of Plexconcil

Dear Sir / Madam,

Subject : Regarding Canada's proposals w.r.t. Plastics and other Sectors

We wish to inform you that India and Canada are in discussion for conducting the CEPA in two phases; in the first phase, an Early Harvest/ interim agreement is being contemplated while the second phase would conclude a comprehensive agreement covering substantial tariff lines.

In the earlier rounds of discussions, Canada had proposed certain Product Specific Rules of Origin (PSR's) on products pertaining to our council which are being attached with this mail for your kind reference. You are requested to examine the PSRs of your product/s which had been proposed by Canada (at a 6 Digit level) and give your comments on whether the same are appropriate for your sector. In case, the same are not found appropriate, you are requested to suggest alternate PSR's with detailed justification as to why Canada's proposal is not suitable, which would then be helpful during negotiations.

Also, please find attached herewith a comparative PSR Analysis sheet comprising information on PSR's formulated on the same product lines earlier by India in its FTA's and PSRs agreed to by Canada on the same products in some of its recent FTA's along with a detailed India-Canada CEPA questionnaire on Rules of Origin (Copy Attached) for your valuable inputs.

You are requested to kindly share your inputs on all the above aspects preferably by 12th August, 2021 to the undersigned at bharti@plexconcil.org

With regards,

Bharti Parave
Asst. Director
