All Members,

Dear Sir / Madam,

Greetings!

Subject : Members input on the project titled "Biodiversity Conservation and Ganga Rejuvenation"

We wish to inform you that the project titled "Biodiversity Conservation and Ganga Rejuvenation" at the Wildlife Institute of India, Dehra Dun, forms an integral part NMCG's vision for Ganga Rejuvenation by restoring Ganga's ecological integrity. The main aim of this project is to develop a science-based aquatic species restoration plan for Ganga River by involving multiple stakeholders.

In this regard Ministry of Jal Shakti, Department of Water Resources, River Development & Ganga Rejuvenation is seeking suggestions on the contents of documents (<https://plexconcil.org/public/maile-documents/Biodiversity-Annexure.pdf>) so that the science – policy – practice interface proposed in this document is strengthened. Members are requested to provide their inputs in word file (<https://plexconcil.org/public/maile-documents/Project-Ganga-converted.docx>) or may attached separate annexure referring the sr. no of word file.

Members are requested to send their inputs to bharti@plexconcil.org by tomorrow 4pm.

Best regards
