

Webinar on Introduction to National Logistics Portal (Marine)

10th December, 2021 (Friday) | 3.30pm- 5.00pm | Virtual Platform: Cisco Webex

Dear Sir/Madam,

Greetings from Plexconcil!

We are pleased to inform you that **The Plastic Export Promotion Council (PLEXCONCIL)** is organizing a **Webinar on Introduction to National Logistics Portal (Marine)** on 10th December, 2021 (Friday).

Ministry of Ports, Shipping and Waterways (MOPSW) and Ministry of Commerce & Industry (MOCI) has entrusted the work of developing the National Logistics Portal (Marine) to Indian Ports Association (IPA). **National Logistic Portal (NLP) Marine** is a project of national importance aimed at connecting all the stakeholders of the logistics community using IT, to improve efficiency and transparency by reducing costs and time delays. This project will have a significant impact on the 'Ease of Doing Business' Index of the country.

About National Logistics Portal (Marine)

- It is a revolutionary national maritime single window encompassing full end-to-end logistics options.
- The proposed NLP-Marine will act as a single platform to carry out business needs and regulatory compliances of the importer and exporter
- Move towards a paperless regime i.e to optimise, manage, and automate port and logistics processes by connecting transport and logistics chains i.e. electronic handling of key processes regarding import and export of containerised, general, and bulk cargo.
- It will provide status information, control, track, and trace features to all the envisaged stakeholders
- The NLP-Marine is being developed to facilitate ease of doing business and improve the logistic index of the country by streamlining the EXIM trade processes and promoting transparency.

The NLP Marine project is an ambitious initiative which will strengthen with the involvement of various ministries through integrations with various platforms, sharing of information sources and working in close synergy.
