2. PARTICIPATION AT INTERNATIONAL/ DOMESTIC TRADE FAIRS & EXHIBITIONS

2.1 Plexconcil Hosts the 'Largest Country Pavilion' with 35 Indian Exhibitors at ARABPLAST 2021 – 15 – 18 November 2021

PLEXCONCIL led a contingent of 35 exhibitors to the 15th edition of ARABPLAST- the flagship trade expo for plastics, petrochemicals, packaging and rubber industry in the Middle East. Held at Dubai World Trade Centre, UAE, from 15th to 18th November 2021, the event was the first confluence of the global plastic industry post-pandemic and ushered over 18,000 industry stakeholders to a showcase of world-wide innovation advancement and cutting-edge technologies in the plastics sector.

The latest edition of ARABPLAST attracted visitors from over 50 countries and participants from over 220 international companies in the plastics and petrochemical sector across 30 countries including India, Germany, Switzerland, Italy, Austria, Turkey and GCC members.

PLEXCONCIL, the Indian Associate of ARABPLAST, hosted the largest country pavilion comprising of Indian MSMEs that were overwhelmed by the presence and response from quality senior decision makers, influencers and global buyers.

Inaugurated on 15th November 2021 by Dr. Aman Puri-Consul General, Consulate General of India, Dubai, UAE, the India Pavilion exhibited a wide array of products ranging from plastic raw materials, finished plastic goods to plastic processing machineries. The Honorable Consul General interacted with the Indian exhibitors and was impressed with the representation of the country pavilion at the event. He applauded PLEXCONCIL's efforts in establishing exporters' trust in the resurging trade ecosystem and organizing one of the largest and most visited pavilions at ARABPLAST 2021 that helped them capitalize on the untapped potential.

The United Arab Emirates is an important source of plastic raw material for India and a trading hub facilitator between India and African countries with a sizeable market share. With the signing of the FTA thereby, providing tariff concessions will have a reciprocal effect that shall not only boost exports but also the duty concessions on imported goods, allowing growth of trade. The Dubai port and FTZs play key roles in facilitating smooth transport of Indian goods to the region.

Mr. Arvind Goenka, Chairman, PLEXCONCIL, said, "The

United Arab Emirates is the third most important export destination for India due to close proximity to GCC. Within plastics segment, the trade is currently in favor of the UAE with exports of US\$ 778.3 million to India and a trade surplus of US\$ 351.4 million. Our internal assessment shows that the current Indian plastics' exports to the UAE worth US\$ 426.9 million can increase additionally by US\$ 2.5 billion."

The UAE's plastic imports are largely catered to by China (35.4%) and Saudi Arabia (15.9%). India also has an extremely good standing in the UAE's plastic import segments such as woven sacks/ FIBCs- market share of 65.1% (Rank 1); decorative laminates- market share of 58% (Rank 1); ropes, twines and cordage- market share of 42.5% (Rank 1); leather cloth- market share of 21.5% (Rank 2); plastic sheets and films- market share of 12.4% (Rank 2)

Taking the opportunity of the first physical networking meeting post-pandemic, PLEXCONCIL interacted with eminent plastic associations, Chambers of Commerce and Industry from across the globe.

PLEXCONCIL stall was notably visited by the Bangladesh Plastic Goods Manufacturers & Exporters Association and The Federation of Bangladesh Chambers of Commerce and Industry. The delegations expressed their interest to improve the bilateral plastic trade between India and Bangladesh and specifically to boost the Indian plastic exports to Bangladesh. Both trade bodies have also agreed to MoUs for trade promotion in the respective countries and to associate for all upcoming exhibitions by organizing a delegation and trade awareness booth at the events.

To further strengthen the partnership with the European region, which is the second-largest export destination for Indian plastics industry, PLEXCONCIL engaged with Switzerland Global Enterprise; Advantage Austria; Aussenwirtschaft Austria and VDMA Plastics and Rubber Machinery, Germany among others to gauge the market potential for Indian plastic exports in the associations' respective nations and to understand the myriad avenues opening up for exporters in the re-opening global trade.

ARABPLAST 2021 has been a significant cornerstone in launching 'Global Business Re-boot' for Indian plastic exporters. Considering the exhibitors' feedback, PLEXCONCIL may consider a larger participation at the next edition of the exhibition. The Council remains committed to keep assisting its members in participation at several leading trade fairs that serve as footholds for the tremendous networking opportunities ahead.

The meeting was to address the difficulties faced by the Industrial units running on Solid Fuels in Delhi and NCR Region. Some of the key issues raised by Plastics processors operating in Delhi and NCR region during the meeting were as follows:

1. The Commission should lift the condition of 5 days running of the factories as it is affecting their outcome which has fallen by 25% in recent months.
2. The mandatory condition of using PNG as fuel to be used for 12 months should be done away with as it almost 3 times the running cost of coal. Due to this entrepreneur have to increase their export pricing thereby making them globally uncompetitive.
3. The condition of running their factories on DG sets only should be done away with as although necessary DG sets operate at very high cost which further affects export pricing. The ideal condition should be that factories are allowed to run in Hybrid Mode i.e. Gas and DG sets to capture the increasing export pricing.

The Commission was also briefed by the plastic processors to use Green Fuel and Bio Mass as an alternate fuel source as it would be cheaper and also environment friendly.

INDEPENDENT AUDITORS' REPORT

To the Members of
**The Plastics Export Promotion Council
Mumbai**

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **The Plastics Export Promotion Council** ("the Company"), which comprise the balance sheet as at 31st March 2022, and the statement of Income and Expenditure Account, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view, **read** along with notes, in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its financial performance, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

The company has prepared its financial statements on a going concern basis. Information other than the Financial Statements and Auditors' Report thereon The Company's management and Board (Committee of Administration) are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is no material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board (Committee of Administration) is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments

and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board (Committee of Administration) is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board (Committee of Administration) either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board Committee of Administration are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than

for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, the information is not applicable to section 8 companies in view of exception carved out in section 2(42) of Act.

Schedule '16'

1 **SIGNIFICANT ACCOUNTING POLICIES**

a) **GENERAL :**

The financial statements are prepared under going concern assumption based on the historical cost convention and by applying applicable Accounting Standards. The preparation of financial statements is in conformity with generally accepted accounting principles as applicable in India (Indian GAAP). The company follows mercantile system of accounting and recognizes income and expenses on accrual basis unless stated otherwise in the notes and except the items with significant uncertainties.

b) **USE OF ESTIMATES AND JUDGEMENT**

The preparation of financial statement in conformity with accounting standard requires the Management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affects the application of accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of financial statement and reported amounts of revenue and expenses during the period. Accounting estimates could change from period to period. Actual result could differ from those estimates. As soon as the Management is aware of the changes, appropriate changes in estimates are made. The effects of such changes are reflected in the period in which such changes are made and, if material, their effects are disclosed in the notes to financial statement.

c) **PROPERTY PLANT AND EQUIPMENT**

Property Plant and Equipment are carried at cost net of input credit, less accumulated depreciation and impairment loss, if any. All costs, including financial costs till commencement of commercial production / date of use of assets and also

includes changes on account of foreign exchange contracts and adjustments arising from exchange rate variations attributable to the Property, Plant and Equipment.

Intangible assets are stated at cost of acquisition and amortized over the estimated useful life of such assets.

d) **DEPRECIATION AND AMORTISATION:**

Depreciation on Property Plant and Equipment is provided as per the Guidance provided in Sch II of The Companies Act, 2013 and on written Down Value of the Property Plant and Equipment.

In respect of additions to fixed assets during the year, depreciation is considered on pro-rata basis from the date such assets are put to use. Assets costing Rs.5, 000 or less each are fully provided in the year of addition.

e) **REVENUE RECOGNITION:**

a. The cost of Publications of the Council is charged to the Income and Expenditure Account in the year of when expenses are incurred. The Income in respect of the such publication is taken into account as and when their sales are affected. The movement of Publications is controlled under the overall supervision of the Executive Director.
