THE PLASTICS EXPORT PROMOTION COUNCIL

(Sponsored By The Ministry Of Commerce & Industry, Deptt. Of Commerce, Government Of India)

Webinar on “EU Plastics Recycled Materials updates (1616/2022/EC) for the food contact applications”

16th December, 2022 (Friday) | 03.30pm- 04.45pm | Virtual Platform: Cisco Webex

Dear Sir/Madam,

Greetings from Plexconcil!

The Plastics Export Promotion Council (PLEXCONCIL) is organizing a Webinar on “**EU Plastics Recycled Materials updates (1616/2022/EC) for the food contact applications on 16th December, 2022 (Friday) | 03.30pm- 04.45pm**”.

Regulation (EU) 2022/1616 aims to increase the use of recycled plastic material in contract materials while ensuring the safety of recycled plastic. The Recycled Plastics Regulation applies to all kinds of recycled plastic materials and various recycling technologies: different types of polymer, mechanical recycling, recycling from product loops which are in a closed and controlled chain, use of recycled plastic behind a functional barrier as well as different forms of chemical recycling.

Being EU is bigger and major market for Indian products, it is very important for us to know the depth of regulation. Therefore, Plexconcil has organized with educational webinar with the Intertek Assuris. Intertek offers complete solutions for compliance with European health and environmental regulations impacting businesses today.

Topics under Discussion:

- Regulatory compliance of Food Contact Material.
- Analytical testing on food contact packaging materials
- Recycled material regulation in USA, Europe, FSSAI
- Updates in the EU recycled material regulation

Speaker: Ms Sunanda Kadam, General Manager-India, Intertek Assuris

Ms Kadam has over 20 years of experience in chemical and regulatory compliance. She has a profound knowledge on global food contact regulations, Packaging sustainability REACH regulation, Prop 65 etc.

You are requested to join us for this very informative session along with your aspiring colleagues to learn about EU Plastics Recycled Materials updates (1616/2022/EC) for the food contact applications.

Kindly register using the link below: :
