To,

All Members of Plexconcil

Dear Sir / Madam,

Subject : Regarding seeking members inputs in Formulation of Foreign Trade Policy - 2023

As members are aware that the Ministry of Commerce Industry, Government of India is undertaking an exercise to review the current Foreign Trade Policy announced on 1st April, 2015 and its operation has been periodically extended till March 31, 2023. During the period of its operations many changes/updates to the policy, including, midterm review in December 2017, after the Introduction of GST.

As a part of the Proposed Foreign Trade Policy Document. Department of Commerce (DoC) announce a VISION document for laying the road map for India along with the Schemes and Handbook of procedure; w.e.f April 1st, 2023. This exercise had been undertaken previously with the cooperation of sections of DoC.

In this regard, the updated inputs from members shall hold tremendous value for Department in working out both vision as well as detailed strategy for the policy. Due to limited time available for finalising the draft, it would be appreciated members could send the inputs by February 20th, 2023 at bharti@plexconcil.org.

The proposed structure of the chapter is available for download [Click here](#).

Members having any other issues related to Handbook of procedure may also be send to the council as per the below format :-
