# Indian Plastic Industry Exports Overview

During 2021-22 and 2022-23, India's plastics exports ranged between US\$ 12.0 billion to US\$ 13.4 billion. In these two years, India significantly increased its plastics exports to several top destinations including the United States of America, United Arab Emirates, United Kingdom, Germany, Netherlands, Spain, France etc.

Although, the high growth could not be maintained, the recent flurry of activity on India's free trade agreement front could be a game changer. In the last couple of years, India has signed trade agreements with Mauritius, United Arab Emirates, Australia, and the European Free Trade Association comprising Switzerland, Norway, Iceland and Liechtenstein.

Bearing this in mind, Plexconcil is now targeting exports of US\$ 25 billion thereby increasing India's share in the global plastics export market to 3.0%. For this, it is targeting both traditional markets (North America and Europe) as well as emerging markets (Africa, Latin America & Caribbean, and Oceania) for Indian plastics products. The target is difficult, but achievable, and Plexconcil is taking every effort towards this front through various activities including: increased engagement with the various Indian missions abroad, partnerships with international associations and chambers of commerce, improving the industry digital footprint through plex-e-pages, signing of memorandum of understanding with Dun & Bradstreet, and engaging with district export promotion committees. Besides this, Plexconcil has continued its efforts to bring-in domestic manufacturers into the export fold by creating awareness campaigns about exports, and to help Indian companies participate in International trade fairs.

Plexconcil also launched PLEXCONNECT 2023 – India's only export focused exhibition for plastics, the first edition of which was successfully held from 14th to 17th June, 2023 at Mumbai. PLEXCONNECT 2023 witnessed US\$ 16 Million in business inquiries and confirmed deals worth US\$ 5.3 Million from 400 buyers from across 51 countries. The event received positive feedback from both exhibitors as well as buyers. The show was inaugurated by Smt. Anupriya Patel, Hon'ble Minister of State for Commerce and Industry, as the chief guest, while Shri. Santosh Sarangi, IAS, Addl Secretary & DGFT, was the guest of honour. The second edition of PLEXCONNECT 2024 is slated to take place from 7th to 9th June, 2024 in Mumbai.

India's plastics industry offers immense potential in terms of capacity, infrastructure and skilled manpower. India is currently ranked among the top five consumers of polymers in the world and has 50,000 plus plastic processing units employing over four million people across the country. Plastics are among the fastest-growing industries in the country experiencing a double-digit growth rate on an average. The plastics industry in India is making significant contribution to the economic development and growth of various key sectors in the country which includes automotive, construction, electronics, healthcare, and FMCG. Moreover, with institutions dedicated to polymer science and research, such as the Institute of Chemical Technology and the Indian Institute of Technology, India is nurturing the next generation of talent and innovation in this field.

In India, plastics recycling is also set to grow on the back of an ambitious Extended Producer Responsibility regulation with targets for collection, recycling and incorporation of recycled content back into packaging. Until a few years back, the plastic waste management industry was highly informal in India, however, the industry received a major boost due to the Government push towards a circular economy.

Plastics - the wonder material which has revolutionized industries worldwide with its versatility, lightweight nature, and durability needs sustainable innovation and responsible consumption.

### MESSAGE

It is indeed a pleasure to know that Plastics Export Promotion Council (PLEXCONCIL) is holding its Export Award Function on 7th June, 2024 at Mumbai to recognize top exporters in various categories for the years 2021-22 and 2022-23. My congratulations to all the Award Winners and to the plastics exporting community for their commendable achievement.

I am happy to note that India has become a renowned exporter of various plastics products and that we ship our products to over 200 countries across the globe. During 2023-24, India's plastics exports were valued at USD 11.5 Billion. With the Government of India signing several Free Trade Agreements in the recent past, I am sure that our plastics exports will double in the near future. PLEXCONCIL, since its inception in 1955 by the Ministry of Commerce & Industry, has been acting as a catalyst for boosting the exports of plastics through various trade promotion activities.

I extend my greetings and heartiest congratulations to the export award winners. I wish PLEXCONCIL all the success in its future endeavours for the promotion of plastics exports.

**MESSAGE**

It gives me immense pleasure to know that the Plastic Export Promotion Council (Plexconcil) is organizing Export Excellence Award to honor the foremost exporters of plastic products from India and recognise their outstanding performance during the PLEXCONNECT 2024 event.

Since India's plastic exports has increased in recent years and plastic industry continues to witness surge in exports signaling a positive growth, the efforts of Plexconcil in recognizing stellar performance of exporters and encouraging them for their sincere jobs is commendable. I encourage all nominees to keep up their efforts and innovations to further take our plastics industry towards greater heights. Together, we can continue to innovate, grow, and lead the way in sustainable and cutting-edge plastics solutions.

### MESSAGE

I am happy to know that the Plastics Export Promotion Council (PLEXCONCIL) is encouraging the top achievers in the export sector by presenting the Export Excellence Awards for the years 2021-22 and 2022-23 in Mumbai on 7<sup>th</sup> June, 2024.

The plastics industry in India is growing at double digit rate; and we are now exporting plastics products to 200+ countries across the globe, including developed as well as less developed economies. The Government on its part is playing a major role in shaping exports by entering into free trade agreements with various countries. In the last few years, India has signed trade agreements with Mauritius, UAE, Australia, and the four nation EFTA.

I congratulate the award winners for their strenuous efforts in achieving success in the highly competitive global market for plastics. I urge them to strive for higher export growth in the coming years so that India can become a top exporter of international quality goods and a force to reckon with in the international trade.

I appreciate the efforts of PLEXCONCIL in promoting India's plastics exports and once again extend my best wishes to all the award winners.

### Message

It gives me immense pleasure to know the Plastic Export Promotion Council (Plexconcil) is organizing PLEXCONNECT 2024 scheduled to be held from June 7-9, 2024 at Nesco Mumbai where more than 600 International buyers from over 80 countries are expected to participate.

I hope this Buyers' Directory and the Exhibitors' Directory being published by Plexconcil during the mega event will prove to be extremely useful and will facilitate business for international buyers and exhibitors participating in the fair and provide opportunities in widening and establishing extensive business contacts with their International counterparts.

I encourage all stakeholders to leverage the insights and opportunities presented in this directory to increase our exports of the Plastic products by creating new business relationships and exploring new markets so as to make Indian Plastic industry as the manufacturing hub for the world.

### MESSAGE

Ministry of Micro, Small and Medium Enterprises (MSME), Government of India, extend its best wishes to The Plastics Export Promotion Council (Plexconcil) for organizing the second edition of exhibition *PLEXCONNECT 2024* at Mumbai.

2. The PLEXCONNECT 2024 presents itself as a good platform to bring not only domestic but also international buyers and sellers together for establishing new strategic relationships. Hence, Ministry of MSME would like to encourage participants to explore potential partnerships for capacity building, transfer of technology and new potential markets.

3. I am confident that the PLEXCONNECT 2024 Platform will strengthen and build a strong plastic industry fostering innovation, technology, employment and trade, which will contribute significantly to India's journey towards a more sustainable plastics ecosystem and Viksit Bharat.

Best wishes.

## Message

It is with immense pleasure and pride that I extend my heartfelt congratulations to each of the winners of PLEXCONCIL's ANNUAL AWARDS (2021-2023) on your remarkable achievements in the Plastics Exports. Your dedication, innovation, and relentless pursuit of excellence have propelled not only your individual enterprises but also our nation's plastics industry to greater heights on the global stage.

India's ascent as a premier global sourcing hub for plastics stands as a testament to the unwavering commitment and ingenuity of our exporters. The strides we have made in recent years underscore the transformative potential of our industry, positioning us as a formidable force in the international marketplace.

Over the past decade, India's plastics trade has surged significantly, climbing from US\$ 19 billion in 2013-14 to US\$ 37 billion in 2022-23 with plastics exports having played a vital role in this expansion, boasting a CAGR of 4.8%, it's noteworthy that while 2021-22 marked a period of remarkable growth for both plastics exports and imports, plastics exports as on 2022-23, stood at US\$ 12.0 billion despite the global economic slowdown in developed economies and geopolitical tensions.

We are grateful to the Government of India for the pivotal role that it has been constantly playing in export promotion through its very initiative and schemes, always encouraging our export segment to undertake a more proactive approach to expanding our global outreach. Through Free Trade Agreements (FTAs) and various other strategic collaborations, the GOI continues to pursue new avenues for growth and prosperity.

Meanwhile, PLEXCONCIL continues to actively engage in promoting and facilitating exports through a myriad of initiatives and programs. From market research and capacity building to advocacy and policy support, we remain steadfast in our commitment to empowering exporters and fostering a conducive business environment for sustained growth and development.

However, amidst our triumphs, we cannot overlook the formidable challenges that confront the international trade landscape. The unprecedented disruptions caused by global events, supply chain disruptions, and shifting geopolitical dynamics underscore the need for resilience, adaptability, and collective action. It is imperative that we remain vigilant, agile, and united in navigating these turbulent waters and safeguarding the interests of our industry.

As we embark on this journey of continued progress and prosperity, I extend my sincerest appreciation for your invaluable contributions to the growth and success of our industry. Your unwavering dedication, relentless pursuit of excellence, and steadfast commitment to innovation serve as a beacon of inspiration for us all.

As we stride forward with renewed vigour and determination, embracing the opportunities that lie ahead while steadfastly overcoming the challenges that confront us, your exemplary achievements stand as a beacon of hope and possibility. They inspire renewed enthusiasm and confidence in the boundless potential of our industry.

**Mr. Hemant Minocha**  
Chairman

## Message

On behalf of PLEXCONCIL, I would like to foremost extend my heartfelt congratulations to each of the winners of PLEXCONCIL's Annual Export Excellence Awards (2021-2024) on your outstanding achievements in the Plastics Exports. Your dedication towards the relentless pursuit of excellence not only elevated our nation's plastics exports industry, but moreover, it signals the growing prowess of our exporters amongst an international audience.

Today, India's emergence as a premier global sourcing hub for plastics stands as a testament to the unwavering commitment and ingenuity of our exporters. The strides we have collectively made in recent years underscore the transformative potential of our industry, solidifying our position as a formidable force in the international marketplace.

Over the past decade, India's plastics trade has experienced significant growth, climbing from US\$ 19 billion in 2013-14 to US\$ 37 billion in 2022-23. Plastics exports have played a pivotal role in this expansion, boasting a commendable CAGR of 4.8%. Notably, despite the challenges posed by the global economic slowdown and geopolitical tensions, the fiscal year 2022-23 witnessed plastics exports reaching US\$ 12.0 billion, reflecting our industry's resilience and adaptability.

We are sincerely grateful to the Government of India for its pivotal role in export promotion through various initiatives and schemes, encouraging a proactive approach to expanding our global outreach. The Hon'ble Prime Minister's visionary, dynamic policies and initiatives like Make In India, Atmanirbhar Bharat, and Gati Shakti have further opened new growth avenues for Indian entrepreneurs. We must seize these opportunities to not only achieve our business goals but also to build a resilient industry for the future.

PLEXCONCIL remains dedicated to promoting and facilitating exports through a range of initiatives and our commitment to empowering exporters and fostering a conducive business environment for sustained growth and development remains unwavering.

Today, while we acknowledge the formidable challenges confronting the international trade landscape we applaud our exporters, who continue to navigate such turbulence with dynamism, optimism and resilience. The Awards were thus conceived to honour the achievements of such exporters who serve as inspiration and are catalysts to the growth of our industry.

As we embark on this journey of continued progress and prosperity, I once again extend my sincerest appreciation for your invaluable contributions to the growth and success of our industry.

May you continue to inspire and lead the way towards even greater heights of achievement.

**Mr. Sribash Dasmohapatra**  
Executive Director

# CITATION

By

**THE PLASTICS EXPORT PROMOTION COUNCIL OF INDIA (PLEXCONCIL)**

Awarded to

**Mr. Arvind Goenka**

Chairman, PLEXCONCIL 2020-2021 & 2021-2022

Mr. Arvind Goenka is a distinguished figure in the PVC flooring industry, boasting over three decades of experience. His tenure as Chairman of the Plastics Export Promotion Council (Plexconcil) from 2020 to 2022 coincided with one of the most challenging periods for businesses globally—the COVID-19 pandemic. Despite these adversities, under his leadership, plastic exports soared to an unprecedented \$13 billion, setting a record high for the industry.

Mr. Goenka continues to be an influential representative for Plexconcil and its members, frequently engaging with the Ministry of Commerce & Industry, Ministry of Chemicals & Fertilizers, and other governmental departments. Notably, among numerous industry-related policies, he played a pivotal role in successfully pursuing zero import duties for Indian plastic goods under the India-UAE Comprehensive Economic Partnership Agreement (CEPA) with the Hon'ble CIM Shri Piyush Goyal. The plastics community deeply appreciates his efforts in addressing critical issues and fostering the growth and competitiveness of the Indian plastic processing industry on a global scale.

Since 2004, Mr. Goenka has held various significant positions within Plexconcil, including Regional Chairman (North) and Panel Chairman for PVC Floorings, Leather & Laminates. Throughout his association with the Council, he has championed the reduction of import duties on PVC resin, a versatile polymer for which India is heavily import-dependent. Additionally, he has supported the labor-intensive plastic processing industry by advocating for higher import duties on select low-quality finished products from Northeast Asian countries.

On a personal note, Mr. Arvind Goenka hails from Munger, a small town in Bihar, where his family operates a charitable hospital and free Sanskrit education programs. As the Honorary Secretary of the family trust, he oversees various initiatives aimed at uplifting the underprivileged, as part of the family business's corporate social responsibility (CSR) programs. Guided by his father and supported by his brother and a dedicated team of professionals at his company, Mr. Goenka expresses deep gratitude for their unwavering efforts.

Mr. Arvind Goenka is the promoter of RMG Polyvinyl India Limited and has been a consistent recipient of the Top Export Award for PVC floorings by Plexconcil for the past 18 years.
