To,
All Members of Plexconcil/
COA Members,

Dear Sir / Madam,

**Subject : URGENT INPUTS – Regarding implementation of Quality control order IS 7328 : 2020
i.e Polyethylene Materials for Moulding and Extrusion**

We wish to inform you that there is a Stakeholder consultation about Polyethylene Materials for Moulding and Extrusion (Quality Control) IS 7328:2020 organized by Department of Chemicals and Petrochemicals on 3rd of November 2023 with Industry/associations to discuss domestic availability/non availability of various grades falling under IS 7328:2020, capacity, production, import & exports about the implementation of the Polyethylene Materials for Moulding and Extrusion QCO; due for implementation by 5th January, 2024.

Here it is to mention that; there are certain grades of Polyethylenes not domestically produced and having import dependence, as such for uninterrupted supply of these grades for consumption in plastic processing industry; it is requested to be shared the technical name with corresponding commercial name of these grades to the council at bharti@plexconcil.org & isha@plexconcil.org latest by 01st November 2023 in order to inform the O/o. DCPC during the meeting.

Please treat this very urgent.

Best regards,

Bharti Parave
Asst. Director – Trade & Policy
