Dear Sir/Madam,

Subject: Regarding members' inputs on India-Srilanka Free Trade Agreement ISLFTA)- Product Specific Rules of Origin (PSR)

This has reference to our meeting dated 21.11.2023 with Department of Commerce regarding discussion on Negative list of ISLFTA, we have been further informed that DoC is moving forward with the framing of Product Specific Rules (PSRs) in their upcoming meeting with Srilanka. As part of this process, we are reaching out to gather invaluable inputs regarding the Rules of Origin (RoO) for the ISLFTA.

Your insights and recommendations are highly valued as we seek to refine the Product Specific Rules of origin, specifically focusing on products within the purview of Plexconcil (222 products). Attached herewith [CLICK HERE](#) you'll find a format detailing the EXIM values for your reference.

We strongly encourage your participation by proposing comments or inputs on Product Specific Rules of origin emphasizing products of your interest for export to Sri Lanka.

The promptness of your response is of utmost importance, and we kindly request that all feedback be submitted no later than November 29th, 2023, to bharti@plexconcil.org and isha@plexconcil.org.

Thank you for your attention to this matter, and we look forward to your valuable contributions to shaping the PSRs for ISLFTA.

Best regards,
