THE PLASTICS EXPORT PROMOTION COUNCIL
(Sponsored By The Ministry Of Commerce & Industry, Deptt. Of Commerce, Government Of India)

Ref. No.: Plexh/Cir/506

Date:05/08/2024

To,

All Members of Plexconcil

Sub: Members suggestions for submitting Technical Information of Machinery for Inclusion of Plastic Machinery under TUF Scheme

Dear Sir/ Madam,

Greetings from Plexconcil !

As you are aware that Technology Upgradation Fund Scheme is a credit linked subsidy scheme intended for modernization and technology upgradation. The initiatives of the Government is to help the manufacturing sector by building the modern manufacturing infrastructure, upgradation of technology, fostering innovation & enhancing skills.

Presently Plastic Machinery is not covered under the said scheme, however Plexconcil raised their voice in different forums for incorporating the Plastic Machinery also under TUF Scheme.

Recently held meeting with the officials of DCPC , we had again taken up the matter for consideration. In response to our continuous efforts, the DCPC is seeking the inputs from trade about the details of machinery which they would like to cover under the TUF Scheme.

Members are requested to send us the complete details including Technical information of the Machine to the council in order to represent it to the DCPC.

Please send the details latest by 8th August, 2024
to bharti@plexconcil.org ; anirudha@plexconcil.org

Regards,

Bharti Parave

Deputy Director – Trade & Policy

The Plastics Export Promotion Council
