Greetings from Plexconcil!

The Council is in the process of planning to host the India Pavilion in International Plastics/Polymer Exhibitions hence we seek your insights on which International Plastics Exhibitions you would be interested and be benefited in participating during the year 2024-2025.

Please find the list of exhibitions in the below google form and share your preferences by 25nd July 2024 by clicking on the shows. Based on the ROI and the space the Council would be allotted in these shows the Council will revert with more details especially on the costing as soon as possible. The Committee would have the final discretion about the participation in these shows based on the ROI.
