To,

All Members of Plexconcil,

Dear Sir / Madam,

Subject: Inputs on the European Union's Ecodesign for Sustainable Products Regulations (ESPR)

We wish to inform you that O/o. DCPC is seeking inputs on "Ecodesign for Sustainable Products Regulation" Making sustainable products in the EU the norm.

The Eco-design for Sustainable Products Regulation (ESPR), which entered into force on 18 July 2024, is the cornerstone of the Commission's approach to more environmentally sustainable and circular products. Products and the way EU use it can have a significant impact on the environment. Consumption in the EU can therefore be a major cause of climate change and pollution.

The [ESPR](#) aims to significantly improve the circularity, energy performance and other environmental sustainability aspects of products placed on the EU market.

Members doing trade with EU markets are requested to refer the EU Eco Design Regulation and provide their comments on it to the undersigned at bharti@plexconcil.org; anirudha@plexconcil.org latest by 30.08.2024.

Best regards,

Bharti Parave
