THE PLASTICS EXPORT PROMOTION COUNCIL
(Sponsored By The Ministry Of Commerce & Industry, Deptt. Of Commerce, Government Of India)

Dear Sir / Madam,

Date : 10.01.2025

Subject: Urgent Inputs on India-EU FTA - Rules of Origin - PSRs for Chemicals and Petrochemicals (Chapters 28 to 40)

We have been informed by the Department of Chemicals & Petrochemicals regarding the ongoing India-EU FTA negotiations. To date, nine rounds of negotiations have taken place. Additionally, both sides have exchanged PSR proposals on various lines.

In this regard, a compromise proposal has been formulated, taking into account the value chain of the exported product, mandates from the Ministry/Stakeholders, and positions reflected in some of India's recent FTAs, such as those with EFTA and the UK. The proposal is attached for your reference.

As a high-level meeting is scheduled for mid-January at the Ministerial level, we kindly request you to provide your inputs on the compromise position by **13.01.2025 (2 PM)** to the undersigned at bharti@plexconcil.org and anirudha@plexconcil.org.

Please treat this as **urgent** and provide your reply at the earliest.

Thank you for your cooperation.

Best regards,

Bharti Parave
