Dear Sir / Madam,

Subject: Guidance Document and Communication from EU on the Strategic Framework for International Cooperation Engagements under the European Union Deforestation Regulation (EUDR)

We wish to inform you about the European Union's Deforestation Regulation (EUDR), which will come into effect on December 30, 2025 (revised date). This regulation aims to curb international deforestation by imposing strict compliance requirements on goods imported into the EU.

Further, it is also informed that the European Union has released two documents;

1. [Guidance document](#) released on 13.11.2024, which has information on practical implications of the EUDR, and
2. [Communication on the Strategic Framework](#) for International Cooperation Engagements (enclosed) released on 7.11.2024, which provides the modalities of risk classification of countries pursuant to Art.29 of the EUDR.

This is for your information.
