Dear Sir/Madam,

Subject: Request for Inputs on Rules of Origin for India-New Zealand FTA Negotiations.

We wish to inform you that the India-New Zealand FTA negotiations have been launched. Under this agreement, both countries will engage in discussions regarding a range of products eligible for tariff concessions. To ensure that these concessions benefit products that are substantially produced in either country, certain rules are in place to ensure sufficient transformation of the products within the territories of both countries. These are known as the Rules of Origin.

In light of the above, members are requested to provide their inputs on the Rules of Origin and suggest Product Specific Rules (PSRs) for their products at the 6-digit HS code level for this FTA. Please send your inputs to bharti@plexconcil.org and anirudha@plexconcil.org on or before 02.04.2025 .

Additionally, you are also required to provide inputs on textual proposals related to the Rules of Origin, such as "wholly obtained," "de minimis," etc.

The Excel sheet containing the Tariff Line Codes (TLs) at the 6-digit level, pertaining to the plastic industry, is highlighted in the [attached](#) file.

Best regards,

Bharti Parave
