THE PLASTICS EXPORT PROMOTION COUNCIL
(Sponsored By The Ministry Of Commerce & Industry, Deptt. Of Commerce, Government Of India)

Ref. No.:
Plexh/Cir/162

15/05/2025

To,

All Members of Plexconcil/

COA Members

Dear Sir/Madam,

Greetings from Plexconcil!

**Subject: Request for Inputs on Extension of Implementation Date for Quality Control Orders (QCO)
– POLYPROPYLENE (PP) MATERIALS FOR MOULDING AND EXTRUSION (QUALITY CONTROL)**

This is in reference to the above-mentioned Quality Control Orders (QCO), which are scheduled to come into effect on **24th June 2025**.

Once a QCO is implemented for imports, all goods falling under its scope must conform to the specified Indian Standards and obtain **BIS certification** before being imported into India. This implies that any product covered under the QCO must be certified by the **Bureau of Indian Standards (BIS)** to ensure compliance with Indian quality and safety regulations.

In light of the above, Plexconcil is seeking inputs from its members on the following points:

1. Do you believe an extension for the implementation of the QCO is required? (Yes/No)
2. If **yes**, please provide the following details:
 - (a) Justification for the requested extension or any clarifications you may have
 - (b) Grades of Polypropylene (PP) Materials for Moulding and Extrusion you are currently importing

- (c) Any issues being faced by your supplier/producer regarding compliance

Members are kindly requested to submit their inputs **by 20th May 2025** to the following email addresses :

bharti@plexconcil.org

anirudha@plexconcil.org
