Dear Sir/Madam

We are pleased to inform you that preferential tariffs for Indian exports to the United Kingdom under the India–UK Comprehensive Economic and Trade Agreement (CETA) are now live on the **Trade Connect e-Platform**, developed by the Department of Commerce, Government of India.

The platform enables exporters to:

- Search for product-specific details using HS Codes or product descriptions
- View applicable preferential duties under the India–UK CETA
- Access the relevant Rules of Origin (RoO) applicable to their products

The portal can be accessed at the following link: <https://www.trade.gov.in/pages/free-trade-agreements>

All members are requested to explore and utilize this platform.

Regards,
Team Plexconcil
