Reserve Bank of India (RBI) has undertaken a comprehensive exercise to consolidate the regulatory instructions issued up to October 9, 2025 into 238 Master Directions, across 11 types of regulated entities. This exercise is intended to significantly improve the accessibility of regulatory instructions for the regulated entities, thereby reducing their compliance cost.

The list of these Draft Master Directions can be accessed from:

https://www.rbi.org.in/Scripts/BS_ViewREwiseDraftDirections.aspx

Action for Members:

Specifically, members may share their comments/feedback on **Reserve Bank of India (Commercial Banks – Credit Facilities) Directions, 2025**, which can be accessed from **the following link**. This Direction is aimed at providing updated guidelines for commercial banks regarding credit facilities, including terms, eligibility, risk management, and compliance requirements.
