Subject: Invite Your International Buyers to PLEXCONNECT 2026 – Reverse Buyer-Seller Meet (RBSM)

Dear Sir/Madam,

Greetings from Plexconcil!

We are delighted to share that Plexconcil is organizing the Reverse Buyer-Seller Meet (RBSM) as part of PLEXCONNECT 2026, to be held alongside PlastIndia 2026 from February 5 – 10, 2026 at Bharat Mandapam New Delhi, India.

The event has already garnered an overwhelming international response, with over 400 buyers from 45+ countries confirming their participation, making it a truly global networking platform for the plastics industry.

You may be aware that The Reverse Buyer-Seller Meet (RBSM) is an export promotion initiative where select international buyers are invited to India for pre-scheduled one-on-one meetings with Indian plastic manufacturers, fostering collaboration and showcasing India's strengths in innovation, quality, and diverse export-ready products.

We request our members to invite their international buyers to PlastIndia 2026, one of the world's largest and most prestigious plastic exhibitions.

International buyers who register may be eligible for the following entitlements (for the first 100 approved buyers, on a first-come, first-served basis):

- Three complimentary hotel nights
- Return airfare support (subject to government approval)
- Pick-up & drop facilities (Airport ↔ Hotel, Hotel ↔ Venue)
- All meals during the program
- Pre-arranged B2B meetings with verified Indian plastic manufacturers
- Exposure to a wide range of Indian plastic products

Note: Buyer participation will be subject to eligibility and approval by the screening committee.

Registration Details

We request members to share the registration link below with their international buyers. Buyers may fill and submit the form directly with all required details. Please note that incomplete forms will not be considered.

(Deadline for Registration: 30th November 2025)

Building on the remarkable success of PLEXCONNECT 2023 and 2024, which saw participation from buyers across 65+ countries, PLEXCONNECT 2026 promises to be an even larger and more impactful platform for global engagement in the plastics sector.

We encourage you to take advantage of this opportunity and extend invitations to your overseas buyers at the earliest. Your support will help ensure a strong international presence and make PLEXCONNECT 2026 a landmark event for the Indian plastics industry.
