All Members of Plexconcil/COA

Dear Sir / Madam,

Subject: Inputs Requested on Reasons for import surge of plastic plates & sheets

This is to inform you that the Department of Chemicals and Petrochemicals (DCPC) has convened a meeting next week to discuss surge in import of plates & sheets of ethylene and propylene (HS 39201099 & 39202090).

- India's import of Ethylene Plates & Sheets (HS 39201099) has grown 74% in April-October 2025, mainly from Viet Nam, Thailand, South Korea and so on.
- Import of Propylene Plates & Sheets (HS 39202090) have grown 50% in this period, largely from China, Bangladesh, Malaysia and Thailand.

Member Action:

To facilitate meaningful discussion at this meeting, members are requested to provide the following inputs:

- **Which of these two products you import**
- **Domestic Installed Capacity of the above product**

- Reason for Import of the above product
- Are you utilising these products as raw material/intermediate good or finished good

We request you to share these inputs by 4 pm on December 5, 2025 (tomorrow) to: bharti@plexconcil.org; research@plexconcil.org

Best regards

Bharti Parave
