Indian Plastic Industry Exports Overview

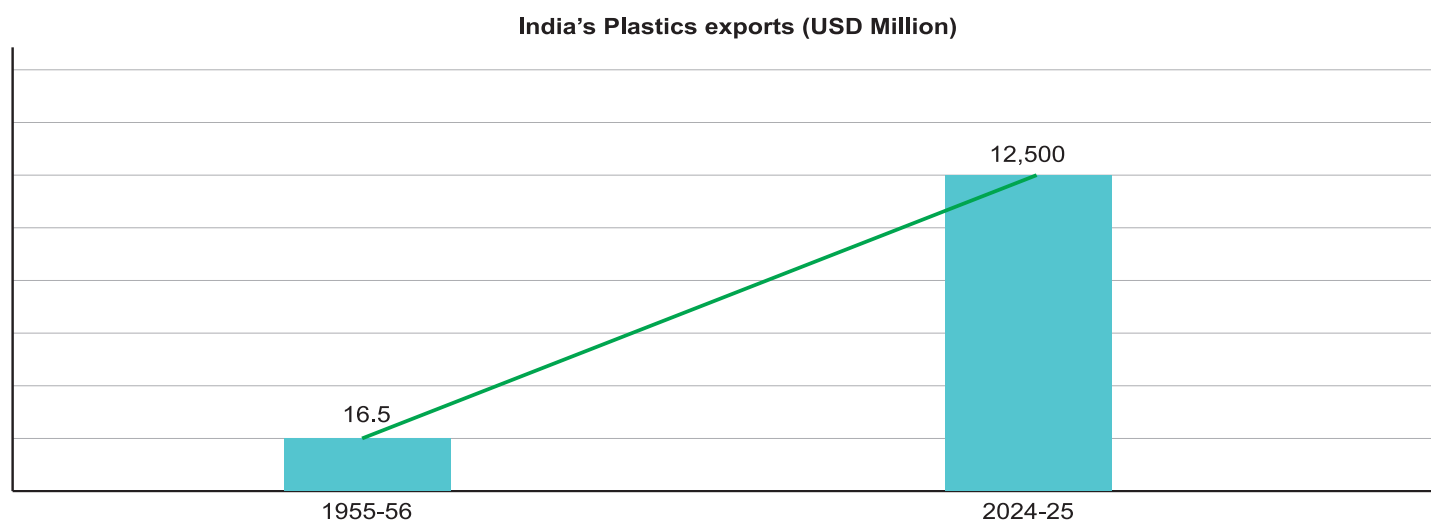

India's plastics export overview

The plastics industry in India has developed and diversified significantly since its inception in 1955. Today, the Indian plastics industry manufactures and exports a variety of products ranging from plastics raw materials to semi-finished and finished items.

Indian plastics industry, which comprises of producers of polymers and plastics processors or converters, is a major contributor to the country's economy manufacturing goods worth Rs 3.50 lakhs crore annually.

India has over 50,000 plastics processors mainly consisting of micro, small & medium enterprises having 1,53,500 plastics processing machines including injection moulding, blow moulding, roto moulding and extrusion machines catering to the requirements of a wide array of applications like packaging, automobile, consumer durables, healthcare, etc.

Today, Indian plastics products are exported to over 200 countries across the globe. India has witnessed immense growth in export of plastics, rising from a meagre US\$ 16.5 million in 1955-56 (to a handful of countries) to as much as US\$ 12.5 billion (to 200+ countries in 2024-25).

70 Years of Expanding Horizons

(Source: DGCIIS, Plexconcil Research)

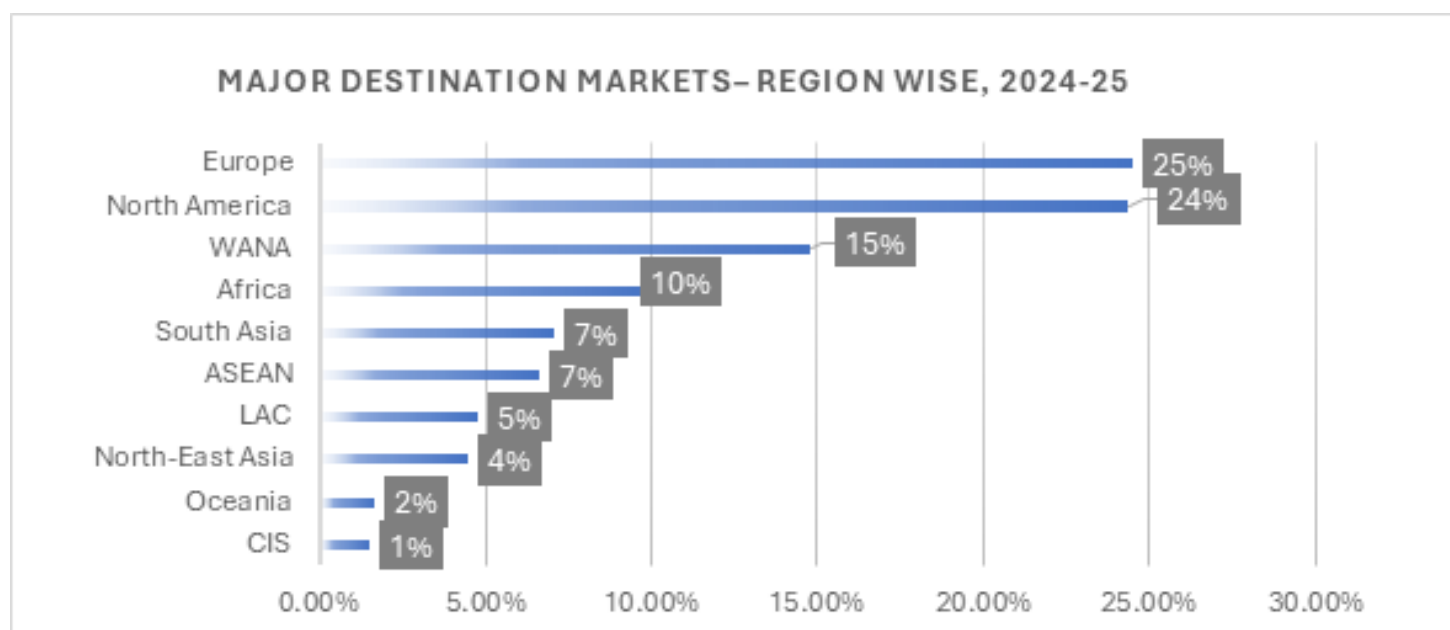

According to plastics export data for the year 2024-25, India's plastics exports have grown by 8.2% and are expected to grow to USD 14.0 Billion at a robust rate of 12% in 2025-26.

The overall trajectory of India's plastics exports remains positive. It is almost doubled from USD 7.6 billion in 2014-15 to USD 12.5 billion in 2024-25.

Among individual product segments, plastics pipes and fittings emerged as the fastest-growing category in last 10 years, posting a remarkable CAGR of 9%, driven by strong demand in infrastructure, construction, and water management projects worldwide. Plastic films & sheets and packaging items followed closely with 7% CAGR, reflecting the global shift toward modern packaging solutions and India's growing role in the supply chain of consumer goods. Medical items of plastics also recorded a CAGR of 7%, propelled by increasing global healthcare demands, while FIBC, woven sacks, and related products grew at 6% CAGR, supporting industrial and agricultural sectors.

Major Destination Markets for India's Plastics Exports, 2024-25

India's plastics exports are predominantly directed towards developed regions – Europe and North America together make up nearly half (49%) of total exports. Emerging regions like WANA, Africa, and South Asia are also becoming significant, collectively accounting for around one-third (32%) of exports, showcasing a balanced mix between traditional and developing markets.

MESSAGE

I am delighted to learn that The Plastics Export Promotion Council (PLEXCONCIL) is organising the Export Excellence Awards on 16th November 2025 in Mumbai.

The event aligns with Hon'ble Prime Minister Shri Narendra Modi ji's vision of strengthening India's manufacturing and export capabilities. Initiatives such as "Make in India," the promotion of sustainable and circular economy practices in the plastics sector and efforts to enhance global competitiveness are transforming the industry into a key driver of economic growth. By fostering innovation, encouraging responsible practices and expanding global outreach, these initiatives have positioned India's plastics sector as a hub of technological excellence and sustainable development.

The Awards will serve as a prestigious platform to recognise and celebrate the exceptional talent, dedication and achievements of India's plastics exporters. By acknowledging their innovation, sustainable product design and commitment to global quality standards, the event will showcase the immense potential of India's plastics industry on the world stage. This recognition will further motivate businesses to adopt advanced technologies, explore new markets and enhance value addition across the plastics value chain.

I extend my warmest congratulations to PLEXCONCIL for organising this significant event and convey my best wishes for its resounding success. I also wish PLEXCONCIL continued success in all its future endeavours.

MESSAGE

I am delighted to note that the Plastics Export Promotion Council (PLEXCONCIL) is celebrating its *Platinum Jubilee*, marking 70 years of dedicated service, and organizing its *Export Excellence Awards* on 16th November 2025 in Mumbai to honour leading exporters for the years 2023–24 and 2024–25.

Established in 1955, PLEXCONCIL has played a pioneering role in promoting India's plastics exports by showcasing the strengths and capabilities of the Indian plastics industry to the world. Over the years, the Council has encouraged its members to integrate with global value chains and adopt best practices, thereby enhancing the competitiveness and reputation of Indian plastic products in international markets.

Department of Commerce remains committed to supporting the plastics sector through continuous export facilitation and by creating an enabling environment that strengthens India's position as a trusted global supplier. It is heartening to note that India's plastics exports reached USD 12.5 billion in 2024–25, reflecting the industry's growth, resilience, and commitment to quality.

I take this opportunity to congratulate all the export award winners for their outstanding contribution to the nation's export performance. I also extend my heartiest congratulations to PLEXCONCIL on completing 70 glorious years and wish the Council continued success in its mission to promote India's plastics exports and contribute to the country's economic growth.

GOVERNMENT OF INDIA

I am pleased to convey my greetings to the Plastics Export Promotion Council (PLEXCONCIL) on the occasion of its Platinum Jubilee Celebration, marking 70 years of dedicated service to India's plastics industry. The Council's initiative to organize the Export Excellence Awards on 16th November 2025 in Mumbai to recognize outstanding exporters for the years 2023-24 and 2024-25 is indeed commendable.

Since its formation in 1955, PLEXCONCIL has played a vital role in nurturing India's plastics sector and enabling it to emerge as a strong contributor to the nation's industrial and export growth. Through its continuous engagement with stakeholders, the Council has promoted quality manufacturing, encouraged innovation, and supported Indian companies in establishing a strong presence in global markets.

India's plastics industry, closely linked with the chemicals and petrochemicals value chain, continues to demonstrate robust growth and technological advancement. The sector's export performance – reaching USD 12.5 billion in 2024-25 – reflects the vision, adaptability, and enterprise of our manufacturers. Going forward, it is important to focus on sustainability, circularity, and value addition, ensuring that India's growth in plastics is both economically and environmentally responsible.

The Government of India is committed to strengthening the chemicals and petrochemicals ecosystem, expanding domestic capacities, and facilitating greater integration with global value chains. These efforts are in line with the Hon'ble Prime Minister's vision of *Atmanirbhar Bharat*, aimed at building a self-reliant, resilient, and future-ready India.

On this special occasion, I extend my warm felicitations to PLEXCONCIL on completing seventy glorious years and convey my best wishes to all the award recipients for their excellence and contribution to India's export growth. I am confident that the Indian plastics industry will continue to innovate, expand, and contribute meaningfully to our shared vision of a *Viksit Bharat*.

MESSAGE

It gives me great pleasure to know that the Plastics Export Promotion Council is celebrating its Platinum Jubilee, commemorating 70 years of dedicated service to India's plastics export sector. The occasion is further enriched by the presentation of the Export Excellence Awards on 16th November 2025 in Mumbai, recognizing outstanding exporters for the years 2023–24 and 2024–25.

Over the past seven decades, PLEXCONCIL has been striving in advancing India's plastics exports. Through its proactive initiatives, the Council has played a pivotal role in promoting India's capabilities as a reliable global supplier of quality plastic products.

It is encouraging to note the steady growth of India's plastics exports, which have reached USD 12.5 billion during 2024–25. With the continued efforts of the industry, and the opportunities arising from new Free Trade Agreements being pursued by the Government of India, the sector is well-positioned to achieve even greater success in the coming years.

I extend my warm greetings and best wishes to PLEXCONCIL on this landmark occasion and convey my appreciation for its sustained efforts to enhance India's global trade footprint in plastics. I also congratulate all the award recipients and wish them continued excellence in their future endeavours.

On the Occasion of the 70th Anniversary of PLEXCONCIL**

On behalf of the Department of Commerce, Government of India, it gives me immense pleasure to extend our warmest congratulations to **PLEXCONCIL (The Plastics Export Promotion Council)** as you commemorate your **70th Anniversary**.

This remarkable milestone is a testament to seven decades of unwavering dedication, foresight, and relentless effort in promoting and facilitating India's plastics exports across the globe.

We highly commend the Council's efforts in **driving the sector's growth to achieve annual export turnover exceeding \$12 billion**, clearly demonstrating India's rising competitiveness in the global market. Furthermore, PLEXCONCIL has been instrumental in **successfully establishing a significant market presence for quality Indian plastic products in over 200 countries**, showcasing India's manufacturing capability globally. Beyond market access, we recognize your **pioneering efforts in promoting product quality, standardization, and sustainability** within the industry, ensuring that Indian exports meet stringent global norms such as **REACH** and fostering the crucial transition toward a circular economy.

The plastics industry is a key pillar of the '**Make in India**' initiative, and PLEXCONCIL's efforts are instrumental in achieving the ambitious export targets set for the nation. We recognize and appreciate the proactive role the Council plays in supporting MSMEs and adapting to the evolving global trade landscape.

As PLEXCONCIL steps into its 71st year, we look forward to continuing our robust partnership, working together to overcome future challenges and achieve greater heights in the global marketplace.

Congratulations once again on this momentous occasion. We wish PLEXCONCIL continued success and prosperity in the years to come.

Message from the Chairman, Plexconcil

Celebrating 70 Glorious Years of Growth and Global Impact

As Plexconcil celebrates its **Platinum Jubilee** and hosts the **Export Excellence Awards**, we take immense pride in reflecting on a remarkable **70-year journey** — one built on vision, perseverance, and the collective effort of India's dynamic plastics export community. These celebrations mark not only our seven decades of service to the nation's export sector but also our continued commitment to recognizing and honouring the exceptional achievements of India's exporters.

From humble beginnings in 1955 to becoming the **voice of India's plastic export sector**, Plexconcil has grown alongside India's emergence as a **trusted global sourcing hub**.

Over the decades, the Indian plastics industry has transformed into a symbol of **innovation, sustainability, and resilience**. What began as a small-scale trade activity has evolved into a diversified sector serving global markets across **packaging, construction, healthcare, agriculture, and consumer goods**. This journey reflects India's steady rise as a **manufacturing powerhouse and a preferred export destination**.

Plexconcil has played a pivotal role in this journey — connecting Indian exporters with global markets, promoting **"Make in India, Make for the World,"** and driving excellence through participation in **international trade fairs and exhibitions**, organizing **Reverse Buyer-Seller Meetings**, and launching several initiatives to **strengthen India's plastics export growth**.

As we mark this milestone, I extend heartfelt congratulations to all our **Export Excellence Award winners**, whose hard work and innovation continue to enhance India's reputation in global trade.

The **Platinum Jubilee** is not just a celebration of our past; it is a reaffirmation of our commitment to shaping the **future of Indian exports** — stronger, more sustainable, and globally competitive. Together, we will continue to make India a hub of **quality, trust, and innovation**.

Message from the Vice Chairman, Plexconcil

Honouring Our Legacy, Inspiring the Future

As Plexconcil celebrates its **Platinum Jubilee** alongside the **Export Excellence Award Ceremony**, we take great pride in honouring seven decades of dedication, progress, and partnership. This momentous occasion not only marks our 70-year journey but also recognizes the outstanding contributions of our exporters who continue to elevate India's presence in the global marketplace.

As we commemorate 70 years of Plexconcil's journey, we celebrate not only our achievements but also the spirit of collaboration that has made this success possible. The Platinum Jubilee marks a defining moment to recognize our members, exporters, and industry partners who have stood with us in advancing India's global trade footprint.

Today, India stands proudly as a **leading manufacturing destination** for quality plastic products, serving markets in over 200 countries. This growth story is powered by **visionary entrepreneurs, cutting-edge technology**, and our shared commitment to **sustainability and innovation**.

Plexconcil has always believed in **empowering exporters** — from supporting MSMEs to encouraging large-scale manufacturers to compete globally. Our mission aligns closely with the vision of **Atmanirbhar Bharat**, fostering self-reliance and strengthening India's presence in international markets.

The **Export Excellence Awards** honour not just success but also the **resilience, creativity, and dedication** of our exporters. Their achievements are a source of pride for the nation and inspiration for the next generation of trade leaders.

As we move ahead, our focus will remain on **building stronger global partnerships**, driving **value-added exports**, and making India the **preferred partner for sustainable plastic solutions**.

Message from the Executive Director, Plexconcil

Seventy Years of Service, Partnership, and Progress

The **Platinum Jubilee** is a moment of deep pride for everyone associated with **Plexconcil**. Over the last seven decades, the Council has played a pivotal role in transforming India's plastics export sector — from its early stages to a **world-class industry recognized for quality, innovation, and reliability**.

Our journey has been guided by a simple yet powerful vision — to position **India as a reliable global supply partner**. Today, India stands firmly as a **hub for plastics exports**, with the world increasingly looking towards India to meet its growing demand for sustainable, high-quality plastic products. With our manufacturing capabilities, skilled workforce, and commitment to excellence, **India is well positioned to fulfill the world's needs** and emerge as a key player in global supply chains.

Through trade promotion, market development, and exporter support, **Plexconcil** has worked tirelessly to connect Indian manufacturers with international opportunities — bridging markets, building partnerships, and driving growth across continents.

This success would not have been possible without the continued support of our **members, the Ministry of Commerce & Industry, and our industry partners**. Together, we have turned challenges into opportunities and laid a strong foundation for **India's leadership in global plastics exports**.

As we celebrate this milestone, we also look to the future — one that is **digital, sustainable, and innovation-driven**. Plexconcil remains committed to promoting **"Make in India, Make for the World,"** nurturing emerging exporters, and ensuring that India continues to shine as a **trusted and competitive global partner**.

On this historic occasion, I extend heartfelt congratulations to all **Export Excellence Award winners** and express my sincere gratitude to every stakeholder who has been part of this remarkable journey. Here's to the next chapter of growth — towards a more **prosperous, sustainable, and globally connected India**.

THE PLASTICS EXPORT PROMOTION COUNCIL OF INDIA (PLEXCONCIL)

Awarded to

Mr. Hemant Minocha

Chairman, PLEXCONCIL 2022-2023 & 2023-2024

Mr. Hemant Minocha is the Director of Rajiv Plastic Pvt. Ltd., a leading Asian manufacturer of color and additive masterbatches and polymer compounds. Established in 1978, the company serves over 1,500 customers in 55+ countries, with production facilities in Pune and Silvassa and a combined capacity of 51,000 MTPA. Under his leadership, it has earned Star Export House status from the Government of India and ISO 9001:2015 certification.

Mr. Hemant Minocha holds a BE in Polymer Engineering from MIT Pune (1996), an MS in Plastics Engineering from the University of Massachusetts, Lowell (1998), and an MBA for Entrepreneurs (MPEF) from IIM Bangalore (2004). With over 28 years of experience in plastics processing, troubleshooting, R&D, and international sales, he began his career in the U.S. as an R&D Engineer at Haartz Corporation (1997–1999), followed by a leadership role at Clariant Masterbatches (1999–2001) in Maryland. Since 2001, he has been leading Rajiv Plastic Industries, where he continues to drive innovation and expand the company's global footprint across more than 55 countries.

Mr. Hemant Minocha has been instrumental in strengthening India's global position in plastics exports through his leadership at PLEXCONCIL. Under his guidance, the Council initiated the first ever plastics export focused exhibition "Plexconnect" at Mumbai.

He also led a 73-member Indian exporter delegation to ARABPLAST 2023, enhancing India's presence in the Middle East market.

Mr. Minocha has delivered over 50 technical papers at conferences in India and abroad and has organized numerous industry seminars on plastics innovation and sustainability. He has served as a Managing Committee Member of the Indian Plastics Institute (IPI) since 2001, was Chairman of its Mumbai Chapter (2010–2012), and has held several leadership roles in the PlastIndia Foundation over the last 15+ years. He was also Chairman of the Board of Studies at Bhagubhai Mafatlal Polytechnic, Mumbai, and a Governing Council Member of EO (Entrepreneurs' Organization), Pune Chapter.

As Chairman of the Plastics Export Promotion Council (PLEXCONCIL) for 2022–2023 and 2023–2024, Mr. Minocha has driven initiatives that significantly enhanced India's plastics export capabilities and global market access, while empowering MSMEs.

Mr. Minocha drives industry policy and advocacy through key roles in the Organisation of Plastics Processors India, PLEXCONCIL, and the Compounds and Masterbatch Manufacturers Association. A champion of sustainability and innovation, he shapes the global plastics industry through leadership, mentorship, and collaboration.

As Chairman of PLEXCONCIL, Mr. Hemant Minocha has played a pivotal role in accelerating India's plastics export growth through strategic initiatives that expanded global market access, strengthened exporter capabilities, and empowered MSMEs. His leadership has significantly enhanced India's position as a leading player in the global plastics industry.

The Last 10 Years: From Diamond to Platinum (2015-16 to 2024-25)

Over the past decade, Plexconcil's journey has been one of resilience, reinvention, and remarkable growth. From a total of 18 programs in 2015-16 to 19 major initiatives in 2024-25, the Council has not only overcome the pandemic-induced slowdown but has also surpassed pre-COVID activity levels, marking a Platinum era of progress.

International Outreach

Despite the global disruptions of 2020-21, India's international presence rebounded stronger than ever. Participation in overseas trade fairs surged, peaking at 12 international exhibitions in 2023-24, reaffirming India's growing prominence in world markets.

Over the decade, 82 international trade fairs have showcased India's manufacturing excellence on global platforms such as Chinaplas, JEC, ArabPlast, Plastimagen, NPE, Interpack, and K-Fair, among others.

Buyer-Seller Engagements

Through a strategic mix of Delegations, BSMs, RBSMs, and Virtual BSMs, Plexconcil maintained active global linkages even during challenging times. Over 34 BSMs were organized with the support of Indian Missions abroad — notably in Mexico, Guatemala, El Salvador, and Honduras, among others. The flagship Reverse Buyer-Seller Meet (RBSM), *PLEXCONNECT*, has evolved into a defining movement. Across its first two editions in 2023 and 2024, *PLEXCONNECT* brought together over 500+ international buyers and India's leading plastics manufacturers, creating a vibrant ecosystem that fosters business partnerships, innovation, and long-term collaborations.

Domestic Expansion

The domestic outreach witnessed a significant rise — from 4 events in 2015-16 to 9 in 2024-25 — reflecting Plexconcil's increasing focus on strengthening India's internal market base. Over 39 domestic shows, including IPLAS, Odisha Plast, Plexpo India, and PlastiPack, have provided vital platforms for Indian MSMEs and exporters to showcase capabilities and expand market linkages.

Overall, the Council's journey from the **Diamond to the Platinum Decade** represents a story of steady progress, adaptability, and renewed dynamism in promoting India's plastics exports across global and domestic platforms.
