SEPTEMBER 4-6, 2025

BHARAT MANDAPAM, NEW DELHI

India stands at the forefront of a global wellness revolution—rooted in ancient wisdom, driven by scientific innovation, and fueled by a growing demand for sustainable, holistic health solutions. The Bharat Nutraverse Expo 2025 brings together India's vibrant nutraceutical ecosystem—from botanical researchers and ingredient innovators to manufacturers, policy makers, and global buyers—under one ambitious vision: Inspiring India's Nutraceutical Mission.

This national platform is more than an exhibition—it's a catalyst for advancing India's strengths, tackling global regulatory and trade challenges, fostering collaboration, and accelerating growth in exports. Through curated conferences, buyer-seller meets, product showcases, and knowledge exchanges, the Expo aims to position India as a global hub for nutraceutical excellence.
