# SPORTS GOODS FROM INDIA

India is fast emerging as an important supplier of quality sports goods to the global markets. Indian sports goods are being exported to more than 100 countries and are in demand for their performance, reliability and unmistakable value proposition.

Indian sports equipment are being used at the highest level of sporting events and training academies, including the Olympics and world championships. Some of the disciplines using Indian sports goods and accessories at the professional level include Cricket, Hockey, Track & Field, Boxing, Goal games, etc. Indian promotional products are also very popular.

The industry is rapidly embracing new technology and adapting its products to keep up with the fast changing global trends. With robust and augmenting domestic market adding to the expanding overseas market, Indian leisure industry foresees increasing presence both in Indian and international markets. The growth momentum of Indian industry is supported by its huge reservoir of skilled workforce, well established supporting and ancillary industries and availability of basic raw materials required for producing a wide variety of products.

## Why buy from India

Indian sports goods industry is over 100 years old and exports quality sports goods to more than 100 countries, supplying to leading brands.

Exporters are backed by dedicated manufacturing units that use mechanised tools & machinery and are run by a skilled workforce.

Having an uninterrupted supply of raw materials, the industry is also supported by well established ancillaries of plastics, metal works, textiles, leather, etc.

Ease of doing business in terms of better understanding, flexibility, support in innovation and interest to build long term relationships.

India is the largest democracy and has a stable economy. Its huge domestic market maintains steady economic growth at all times.

The top five markets for Indian sports goods are the UK, USA, Australia, Germany and South Africa.

## Distribution of Industry

## The Sports Goods Export Promotion Council

The Sports Goods Export Promotion Council (SGEPC), a Government of India sponsored organization is working for the promotion of India's exports of sports goods and toys.

SGEPC represents all the leading manufacturers and exporters of sports goods and toys in India. The one point objective of SGEPC is to promote exports of sports goods and toys from India. Its range of activities spur the industry's performance on one hand, and help to promote India's presence internationally on the other.

### Trade Promotion Activities

SGEPC organizes trade promotion activities like Indian participation in international trade fairs, visits of business delegations, promotional campaigns in international markets, etc.

### Dissemination of Information

SGEPC provides important information to its members on market intelligence, standards & specifications, quality & design and on other issues which directly or indirectly affect the industry.

### Link between the Industry and the Indian Government

SGEPC is the direct link between the industry and the Government whereby it provides feedback on industry's requirements to the Indian Government and also informs Government directives to the industry.

### Export Statistics and Projections

SGEPC collects exports data from its members, maintains a statistical record of exports of sports goods and toys and evaluates its performance on an annual basis.

### Export Awards

SGEPC recognizes the achievements of exporters and awards the top performers annually.
