Click on REGISTER

The screenshot shows the ServicePlus website interface. At the top, there is a navigation bar with a 'HOME' link, a 'SELECT STATE' dropdown menu, and a 'DOWNLOAD THE APP' button. On the right side of the navigation bar, there are 'REGISTER' and 'LOGIN' buttons. Below the navigation bar, the dashboard is divided into two main sections: 'NATIONAL COUNT' and 'PREVIOUS DAY ACTIVITY (APPLICATION DETAILS)'. The 'NATIONAL COUNT' section displays five metrics: STATES ONBOARD (36), SERVICES LAUNCHED (3179), APPLICATIONS RECEIVED (239,024,218), APPLICATIONS DISPOSED (216,403,804), and APPLICATIONS PENDING (22,620,414). The 'PREVIOUS DAY ACTIVITY' section displays four metrics: RECEIVED (427884), DELIVERED (249383), PROCESSED (795788), and REJECTED (30001). Below these sections, there is a promotional banner for 'An Easy and Intuitive Application' with a list of features and two call-to-action buttons: 'TRACK APPLICATION >>' and 'KNOW YOUR ELIGIBILITY >>'. At the bottom, there is a section for 'NEWLY LAUNCHED SERVICES' featuring three service cards: 'Renewal of Contractor License Service' by the Directorate of Electricity, West Bengal; 'Bhojanalaya kendra/Maratha military hotel Scheme' by the Backward Classes Department, Karnataka; and 'Habishyali Accomodation, Puri' by the Revenue and Disaster Management Department, Odisha.

ABOUT SERVICE PLUS

Welcome to Service Plus

ServicePlus is a generic application to provide an electronic delivery for all the services provided by The Government to The citizen. The Government of India, State Governments and Local Governments are providing various services to benefit the citizens at Centre, State or Local level primarily Government to Citizen (G2C) and Government to Business (G2B). The services provided are either demand driven or mandated by the legislation. The services provided by Government can be categorized as:

1. Regulatory Services: Regulatory services are services like trade licence, permit for construction of a building etc that can be denied by the Government.
2. Statutory Services: Statutory services are services like Issuance of Birth/Death certificate which cannot be refused by Government.
3. Developmental Services: Developmental Services are services or schemes provided by Government for the benefit of citizens like NREGS, IAY, Old age Pension etc.

The following are the salient features of the software -

1. Service(s) will be created online
2. Citizens will be submitting applications online
3. Service units will be able to receive application online
4. Service units will be able to verify documents and application fee online
5. Service units will be able to escalate application to some other person, in the case of absence of dealing authority, online
6. Citizens will be monitoring Application status online
7. Private Service Access Providers will be participating in the application receipt/submission and service delivery process online

Click Apply for services

Click View all available services

The screenshot shows the ServicePlus website interface. The browser address bar displays `serviceonline.gov.in/home.do`. The page header includes the ServicePlus logo and the text "Metadata-based Integrated eService Delivery Framework". The user profile "CHINMAY MANDAL" is visible in the top right corner. The left sidebar menu contains the following items: "Manage Profile", "Apply for services", "View all available services", "View Status of Application", "Submit Feedback", and "Report Show". The main content area is titled "ABOUT SERVICE PLUS" and features a "Welcome to Service Plus" heading. Below the heading, there is a paragraph describing the application's purpose and a list of three service categories: Regulatory Services, Statutory Services, and Developmental Services. A section titled "The following are the salient features of the software -" lists seven features. The footer contains logos for the Ministry of Panchayati Raj, Digital India, data.gov.in, india.gov.in, DeltY, and PMINDIA.
